Inspiring Excellence Together

July 2026

Dear parent/carer,

We are writing to highlight the **essential value of the final three weeks**. This period is carefully balanced between **academic learning, reflection** and **highly enjoyable activities**, allowing students to **consolidate learning, celebrate successes, and enjoy time with friends**. We kindly ask for your support in ensuring high attendance.

Classroom Learning & Assessment Reflection/Consolidation

- **Classroom Learning:** As always, students will continue working and learning right until the final day, to ensure that knowledge and skills are taught with continued high expectations.
- **Success Analysis:** Students will have structured **LIFT** time in lessons to begin reviewing their summative/in class assessments, acknowledge successes, and build confidence.
- **Gap Identification:** Teachers will lead sessions designed to help students **identify and address specific knowledge gaps** while the material is fresh. This proactive, personalised guidance is crucial preparation for next academic year and future new content – this is particularly important for students beginning their GCSE journey or moving into their final year of GCSEs.
- **Refining Understanding:** This time is focused on refining existing knowledge and ensuring concepts are **embedded** with the immediate support of subject specialists, not on new testing or winding down.

End-of-Term Recognition, Celebration & School Community Events

- **Celebration Assemblies:** The school will run **End-of-Term Celebration Assemblies** to publicly recognise and reward the hard work, progress, and outstanding achievements of students across all year groups.
- **Reward Events:** We will be hosting our **end-of-term year group reward events** for invited students who have demonstrated excellent behaviour and conduct throughout the term.
- **Year 10 Humanutopia Sessions:** On Tuesday 14th July and Wednesday 15th July, year 10 students will be working with Humanutopia to look at students maximising their final year at Montgomery Academy.
- **Enrichment Day:** We will hold our annual **Enrichment Day** on Thursday 16th July where students will take part in fun activities that they have signed up for.
- **Non-Uniform Day:** It will be a non-uniform day on the final day of term (Thursday 23rd July) – more information to follow.

Please support your child's success by ensuring their **full attendance over the next three weeks**. This guarantees they finish the year confidently, academically prepared, and celebrated.

Yours sincerely,

Mr Shillitoe
Assistant Headteacher
