Inspiring Excellence Together

March 2024

Dear Parent/Carer,

Please find included with this letter a copy of the **Easter School** timetable for year 11 students. This is by no means compulsory but an opportunity for students to have some extra revision support in the subjects offered throughout their holidays and also collect further reward stickers towards their STOP THE DROP goal of 25 stickers and a £60 reward.

We have analysed outcomes over previous years and last year 77% of students that attended at Easter and May Holidays achieved grade 4+ in English and Maths and only 41% of those that didn't attend achieved the same measure. We realise lots of different contributing factors go into this statistic – but it does give a general indication about effort and attitude to the approaching exams.

Instructions for the Easter School are on the reverse of the timetable and these have been shared in assembly. Students will need to sign in and out at school reception on the days they are attending to ensure we know they are on site in case of emergencies.

If your son/daughter wishes to attend some sessions they will need to “book” on to the sessions using ticket source. The link is here:

<https://www.ticketsource.co.uk/montgomery-academy>

There is obviously no cost for the “tickets” to the sessions but it helps us to know the numbers we are expecting to ensure the correct staffing levels and to help with reprographics. They look for the session(s) they want and then click on **book now**. They can book on to as many sessions as they wish. We will also send you this link electronically so you don't need to type it in!

Revision should now be well underway. All students should be working through their personalised revision plan in order to support their exam preparations. Please contact l.gilderdale@montgomery.fcat.org.uk or m.megarvey@montgomery.fcat.org.uk should you have any questions or concerns about your son/daughter's exam preparations.

We are also supporting students with college applications – should your son/daughter still be unsure of their next steps after secondary school please feel free to email our careers team at careers@montgomery.fcat.org.uk

If you have any concerns or comments please do not hesitate to contact me by phone or email.

Yours sincerely,

Clare Montgomery
