Inspiring Excellence Together

5<sup>th</sup> June 2025

Dear Parent/Carer,

I am writing to you to outline the plan for Year 11 students for the last week and a half of exams. Students have generally been well focused in class, though we were disappointed that Year 11 attendance was lower than normal on Monday and Tuesday this week. Attendance at the pre-exam sessions has also been lower than we would have hoped. These often cover questions and topics that end up appearing on the exam that students sit 30 minutes later.

I expect that **all students** will be in school on Tuesday, the day before the Leaver's assembly as there are at least 3 hours of revision in preparation for the remaining Maths, Chemistry and Physics papers, plus one hour for Geographers.

After the Year 11 Leaver's Assembly on Wednesday, there are no remaining compulsory sessions other than pre-exam sessions and the actual exams themselves. However, there are optional sessions on Thursday and Friday for the remaining Physics, DT and Food exams.

I would hope that all parents/carers would support their son/daughter by strongly encouraging them to attend the last few in-school sessions, before their last few exams and the long Summer holiday to come.

I would like to take this opportunity to thank all the Year 11 parents who have helped the school to support their child over the last 5 years at Montgomery. A combined effort is always more productive.

The final 8 days of exams will work as follows:

## Monday 9<sup>th</sup> June

- Pre-exam : Biology pre-exam sessions from 8:00am  
**Biology exam** : All students exam 9:00am to 10:15am(Combined) or 10:45am(Separates) am, then students go to break/Period 2 (Maths)
