Inspiring Excellence Together

Year 7-10 Autumn Term Assessments

Friday 6th November 2026

Dear Parent/Carer,

I am writing to inform you of the upcoming internal assessments for year 7-10 students.

Assessment at Montgomery is ongoing throughout the year in lessons using verbal contributions in class, classwork, homework, performance in knowledge checks etc. Each year we also assess students' progress with two sets of more formal summative assessments.

We have allocated a three week window for the first set of year 7-10 assessments to take place between Monday 23rd November - Friday 11th December 2026. All of these assessments will take place in normal classrooms during normal lesson times and all will therefore be less than an hour in duration.

Your child will be issued with an exam timetable next week which will inform them when these assessments are taking place over the three week period.

The assessments will focus on a sample of the subject content they have covered so far this year and your son/daughter's teachers will tell them in lessons, and distribute revision lists, of anything they specifically need to revise. I will also be putting links to revision materials on the website and will send a message once these are available.

It is essential that your son/daughter bring a black pen, pencil and ruler for all assessments and a calculator for maths and science assessments.

Students are expected to go to the toilet prior to these assessments and will not be permitted to leave a session to visit the toilet unless we have a medical note/toilet pass. Students are able to use the toilets during their break and lunchtimes and any lessons where assessments are not taking place as usual (toilets are closed period 1).

A report detailing outcomes of these assessments will be issued towards the end of January.

Please do not hesitate to contact me by phone or email if I can be of any assistance.

Best wishes,

R Whittle
Assistant Headteacher
