

Year 7 Home Learning: 1st June – 26th June (4 school weeks)

- Home learning hours do not need to reflect school learning hours – being safe and well is your key priority 😊
- These are the next 4 weeks' worth of work for summer half term 2
- The following work guidelines/activities and ideas are based on **2 ½ hours learning a day** – this gives more time to exercise, chat, rest or do the household chores!!!
- Please do not feel restricted by these activities, you can always find time to do more reading, Hegarty Maths, BBC Bitesize etc...
- You may choose to do half an hour of English, maths and science a day = 1 ½ hours and then make up the extra 1 hour from the other activities below.
- More specific guidance may also be posted on Google Classroom and/or Class Charts – keep checking daily. Please also see the website.

Subject	Week 8	Week 9	Week 10	Week 11
English	<ul style="list-style-type: none"> • AR Reading and quizzing or encourage reading for pleasure through free download software (1 hour) • Bedrock daily (20 mins x3 lessons) • 3 pages of CGP workbook • Detectives booklet: <ol style="list-style-type: none"> 1. Read the information on detective fiction and characters and complete the tasks. 2. Read the extract from 'The Cuckoo's Calling' and complete the tasks 3. Slow writing task: describe the school canteen. 	<ul style="list-style-type: none"> • AR Reading and quizzing or encourage reading for pleasure through free download software (1 hour) • Bedrock daily (20 mins x3 lessons) • 3 pages of CGP workbook • Detectives booklet: <ol style="list-style-type: none"> 1. Draw and describe a crime scene for your own detective story, including 2 clues to be found by your detective, 2. Read Pondicherry Lodge extract and complete the tasks 3. Read the extract on Sherlock Holmes and complete the tasks. 	<ul style="list-style-type: none"> • AR Reading and quizzing or encourage reading for pleasure through free download software (1 hour) • Bedrock daily (20 mins x3 lessons) • 3 pages of CGP workbook • Detectives booklet: <ol style="list-style-type: none"> 1. Read 'Meet the Assistant' and complete the tasks 2. Read the extracts about Inspector Chopra and complete the work exploring use and punctuation of dialogue 3. plot your own detective story using the planning frame. 	<ul style="list-style-type: none"> • AR Reading and quizzing or encourage reading for pleasure through free download software (1 hour) • Bedrock daily (20 mins x3 lessons) • 3 pages of CGP workbook • Detectives booklet <ol style="list-style-type: none"> 1. Read the extract from 'A Murder is Announced' and complete the tasks. 2. create character profiles for your detective and the assistant in the detective story you planned previously. 3. Write the paragraphs describing the crime you planned for your detective story
