House system

Term Two
Week Eight

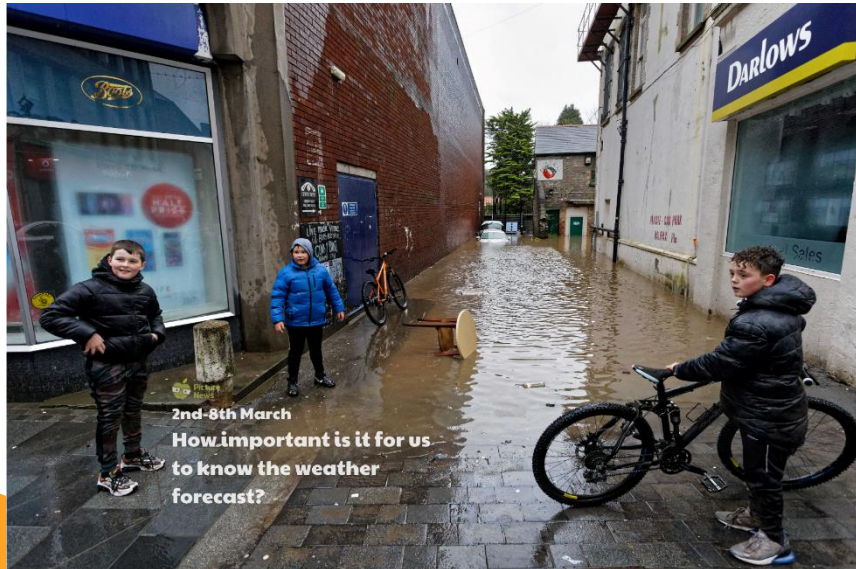

British Values

2nd-8th March

Individual Liberty

The weather can be hard to predict and can cause disruption and even dangerous situations. It's important to listen to advice and following weather warnings.

How important is it for us to know the weather forecast?

A supercomputer is to be developed to support the Met Office in a huge project to improve weather forecasting. The new technology is to be funded by a £1.2 billion investment from the government and will be managed by the Met Office. It is expected the computer will be the most powerful forecasting system in the world and will be able to offer more precise weather and flood updates. The supercomputer will predict climate patterns worldwide, including some of the more severe weather conditions seen in recent months in India and Australia. Chief Executive of the Met Office, Professor Penelope Endersby, said it was a “great vote of confidence in our world-leading weather and climate centre”.

Do you think Greta Thunberg has helped raise the profile of climate change – Have you made changes to your life to reduce your impact on the world?

This week's useful video: www.bbc.co.uk/newsround/42350876

The government currently plan to spend around £5 billion on flood defences until 2026. Do you think the risks of flooding and the impact it will have for many people is given enough media coverage?

Some people are concerned that one of the causes of the increasing number of floods in the UK is linked to climate change, what do you think?

Some communities may even need to move because of the risk

CHALLENGE

“ Carry out a random act of kindness, with no expectation of reward, safe in the knowledge that one day someone might do the same for you. ”

- Princess Diana

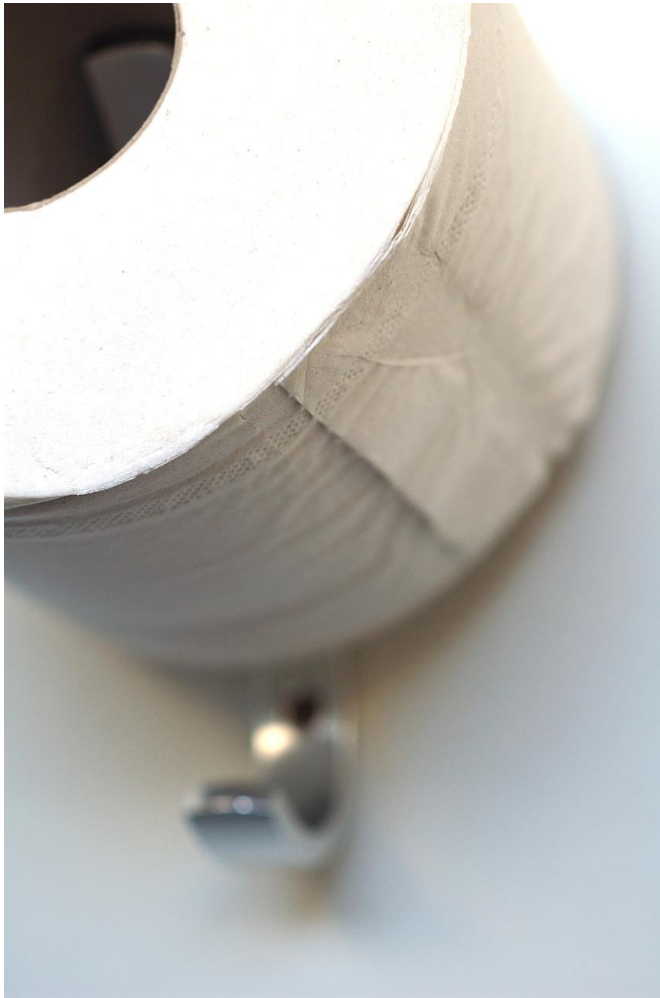

- March is our Random Act of Kindness month
- We want to fill the display board on Montgomery Way with all the good deeds you do for each other.
- Add your random acts of kindness to the cards coming to tutors this week!

Cleaned up a mess that wasn't mine	Put something in the recycle bin	Said 'thank you' to someone	Invited someone who was eating alone to join me	Woke up with a smile on my face	Held open a door	Got at least 30 minutes of exercise today	Helped someone	Texted a positive message to a friend
