Year Council Elections- Progress Tutors: Please pass the names of your two elected members to your year team and Mrs Cumming by Thursday 12th September

Democracy- Student Voice

The School Council

At Montgomery we have two aspects of our student council. We have 5 year council teams which is made up of **two pupils from each tutor group** who are democratically elected to represent the views of all pupils and they work together to make Montgomery Academy an even better school. From the year council- two students from each year group are selected to be part of the whole school council. The school council members meet to discuss many different aspects of school life and have a big say in how our school is run.

How do I get elected if I want to become part of the School Council?

Elections for the School Council are held every year in the autumn term. At School Council election time, all children in school are invited to stand if they are interested. You will need to prepare a short speech to persuade your tutor group to vote for you! You might like to prepare a campaign poster or write some notes to help you. Share with your tutor group all the reasons why you would make a great Councillor – perhaps you are full of good ideas, a good listener, maybe you are good at organising events and enthusiastic about making Montgomery even better.

After you have shared your ideas with your class, everyone in your class will be asked to vote. The elections for the Year Council are a good example of democracy; this means everyone in your class has the chance to be involved in deciding who will be part of the year council, as everyone has a vote. We use a ballot box and votes are counted by pupil your progress tutors. Our elections run just like the General Election that decides who is in government for the country.
