Dear Parents,

Please see the latest advice from our public health director regarding up to date information about Covid symptoms and what you should do.

Please read this carefully and DO NOT send your child into school if they have any of the symptoms mentioned in the advice. Please organise a Covid test and follow the self isolation rules until the results are known.

Yours sincerely

Mrs Magson

### **LATEST ADVICE**

Arif Rajpura, Director of Public Health, has clarified that schools should not be concerned if pupils have a runny nose and sneezing, with no other symptoms.

If they have any of symptoms listed below, pupils should be tested -

Most common symptoms:

- fever.
- dry cough.
- tiredness.

Less common symptoms:

- aches and pains.
- sore throat.
- diarrhoea.
- conjunctivitis.

**Moor Park Primary is a Happy, Caring School where Everyone Matters  
and is Encouraged and Challenged to be the best they can be.**

- headache.
- loss of taste or smell.
- a rash on skin, or discolouration of fingers or toes.

Serious symptoms:

- difficulty breathing or shortness of breath.
- chest pain or pressure.
- loss of speech or movement.
