Head teacher's message

Dear Parents / Carers,

This week the children who will be with us at the start of September moved up into their new classes. There have been a couple of changes for the Autumn Term linked to my Secondment. EYFS will be taught by Mrs. Gears, Year 1 and 2 will have our new teacher Miss Leslie. This week she has been in school working with the children this week. Year 3 and 4 will be taught by Mrs. Heywood. Mrs McQuirk and Mrs Kennedy will be teaching in Year 5 and 6. ***Mrs Kennedy will also be Acting Headteacher whilst I am on Secondment.*** Our wonderful support staff work across the school and include Mrs Bury, Mrs Sproat, Mrs Brown and Mrs. Wallbank will be joining us for 1 morning a week.

Thank you to everyone who attended our sports day this week. The children enjoyed the traditional races which were incorporated as part of our 150 years celebrations. The scores were extremely close with Blue house being the eventual winners. Well done Blue House!

Over the Summer holidays there will be extensive building works being undertaken in school. This is the first phase of a two year project where the building is being re-roofed, and the insulation and walls in some classrooms are being improved. The costs are being covered by the Local Authority.

Today the children came into school dressed to support the England men's team making it into the quarter finals of the 2026 World Cup. I would also like to wish British wild card Arthur Fery lots of luck in the Wimbledon semi-final. This will be the biggest match of his career.

During our assembly this morning Claire from Centre for Leadership and Performance presented Year 3 and 4 with a certificate, trophy and £100 prize money. They have won the Bright Stars Award for best community engagement for the book they produced to support the 150 year celebrations. We have raised £250 which will be split between the school and a teenager cancer ward at the RVI. Well done to all the children and adults involved in this project.

I can not believe we are entering the final week of the academic year. Next Monday will be the Leavers assembly (always emotional) and on Wednesday we have the school leavers disco. We look forward to seeing many of the children at the disco.

Kind Regards

Jacqui Beavis – Headteacher
