Head teacher's message

Dear Parents / Carers,

Well done to the Year 6 pupils who finished their SATs this week. They were very focused and showed resilience during the week. Each morning of the tests Mrs. Simpson came in early and prepared them breakfast. Thank – you! This week Year 3 and 4 with some Year 5 children are continuing with their swimming lessons in the afternoons. Thank you to all the parents who have supported picking their children up on some occasions from the pool last week. This was due to some transportation issues.

Remember next week is our RSHE curriculum week. All children will be learning this at an age appropriate level. A letter was sent out via Studybugs.

On Thursday afternoon Year 1 and 2 & 5 and 6 joined together for a live assembly with Joe Wicks to celebrate Mental Health Awareness week. The children had a good workout.

Year 3 and 4 were visited by Mrs Sanderson who has been telling them all about the school in the past. The children prepared some excellent questions. They are using the information researched as part of their Bright Stars enterprise project to produce books about the history of the school. These will be on sale in due course.

Plans for the 150th school celebration on Saturday 20th June continue to go well. The fete will run from 12.30 – 4.30. We hope to see lots of the school as well as the wider village community present. All are welcome!

I hope you have a good weekend.

Kind Regards

Jacqui Beavis – Headteacher
