Head teacher's message

Dear Parents / Carers,

Last week was a quiet week in school as the children were working on their termly assessments in class.

Year 5 and 6 did manage a trip out on Thursday. We visited the Science block at St. Bees Private School to take part in a Science fair. We enjoyed visiting 4 different labs and learning Biology, Physics and Chemistry as separate subjects. We dug for human and animal bones, saw a giant model of DNA, took part in a pop fizz experiment, a can explosion experiment and having our hair stand on end. I was very impressed with many of our pupils scientific knowledge, as were the staff at St. Bees. As always the children remembered their manners and thanked the staff after each session. Photos were put onto Facebook for everyone to see the experiments we were involved in.

I hope everyone had an enjoyable Mothering Sunday and all the mums enjoyed the cards made here in school.

Please remember this Thursday is the MRMA Easter / Chocolate Bingo – All families welcome. Doors open at 5.30 pm and eyes down at 6 pm. 5 games of Bingo £1 a book, Raffle, Drinks and treats as well as a School Council Stall. We accept Card payments for Books and Dabbers but Cash only for Raffle, Stall and drinks. We look forward to seeing you at the event which is fund raising for the school.

Kind Regards
Jacqui Beavis – Headteacher
