Head teacher's message

Dear Parents / Carers,

We can't believe tomorrow is our school fete – we are looking forward to seeing many of you for this important milestone event. A decision will be made in the morning as to whether to hold the fete on the field, on the school playground or inside. It will all depend on the weather over night and in the morning. At school we will be cash only! The fete will be open 12.30 – 4.30. Remember to arrive with your cakes and scones, made by the children, at 12.30. Judging will take place at 1 pm. There will be many traditional fete activities and stall holders present. The club is also supporting the event by being open for refreshments.

The children have had assessment week this past week. They have all applied themselves extremely well.

Today we were visited by the West Cumbria Search and Rescue. They supported our PSHE focus of the week which was linked to National water safety week. We looked at the dangers of water as well as how the children can keep themselves safe. A couple of the children tried on some of their equipment which was extremely heavy. The work these volunteers do is vital to our community and we thank them for all their hard work. Please have a look at their Facebook page to find out about their fund raising activities as well as events that they will be attending over the summer.

I hope to see you tomorrow!

Kind Regards
Jacqui Beavis – Headteacher

Head teacher awards

*This week I'm
proud to
award.....*
