Head teacher's message

Dear Parents / Carers,

It has been an extremely busy couple of weeks in the school calendar.

First of all I would like to thank everyone for attending the school fete celebrating our 150th anniversary. It really was lovely to have so many people attend and I know past pupils and generations loved looking through our historical records. Following on from this we are very proud to announce that the Year 3 & 4 class won the community award for their project in this years Bright Stars project. We are all extremely proud of them.

KS2 had a wonderful time at Beamish for our residential and coped very well in the extreme heat. We had a wonderful couple of workshops as well as a camp fire. The children particularly enjoyed the opportunity to play in the park (once all the visitors had gone home) in their pyjamas.

The children who didn't attend the residential and KS1 enjoyed a science show in Whitehaven. Thank you to the staff and parents who made this trip possible.

Yesterday was our whole school trip to the Beach. We had a wonderful day and it was lovely to see the children working so well together.

I am pleased to announce that a teacher has been recruited for the Autumn Term to teach in Year 1 and 2. She will be joining us on Tuesday, Wednesday and Friday next week and will be with her new class on Tuesday morning when we have our move up morning.

Wednesday 8th July is our school Sports day in the afternoon. This will take place on the school field and this year the theme will be traditional sports day events linked to our 150th celebration. We look forward to seeing you then.

Kind Regards
Jacqui Beavis – Headteacher
