Head teacher's message

Dear Parents / Carers,

I apologise for a later newsletter – I have been involved in residential etc. I have placed the last 2 weeks award winners on this newsletter. Please see over the page.

Over the past 2 weeks there has been a lot going on in school. Year 5 & 6 went away on their residential which was fantastic. We stayed at Ford Castle (yes a real castle) and enjoyed a number of adventurous activities. We also has a day trip into Newcastle and visited the Life Centre and Discovery museum. For many of us it was a first visit and we all definitely want to visit again! There are lots of pictures on Facebook – do have a look. We are already planning our residential for both KS2 classes next year so do watch out for letters in September.

Rebecca Kiggins visited us in school and led a truly inspirational assembly for us with her interpreter. We learnt about how she ran in the Marathon despite being deaf. Thank you Mrs. Kiggins.

Our Brilliant Cumbria children have completed their weaving activities – we look forward to being able to display when in our new sheds in the community garden.

Head teacher's message continued ...

Year 3 & 4 worked with Kaefer on a Scaffold the world engineering project. One of our Governors – Mr. Bone came into school and judged an overall winner. I was very impressed with how the children engaged in this challenge.

Last Wednesday we saw our Year 6 pupils visit their Secondary schools for the day. They all came back the next day very excited. The rest of the school also moved up to their new classes for the morning. Everyone settled very quickly!

Yesterday Year 1 & 2 visited St. John's church at Bigrigg. We were amazed by the beautiful flowers from the flower festival. As a school we contributed flowering wellies which you will now see displayed outside the main school entrance. Thank you to everyone who donated wellies and flowers.

We look forward to seeing lots of you at the school ColourRun.

Kind Regards
Jacqui Beavis – Headteacher.
