Head teacher's message

Dear Parents / Carers,

This week sees the start of swimming lessons for Year 3 and 4 and some children in Year 5 and 6. The lessons are part of the school curriculum as every child should leave Primary School able to swim 25 meters. The actual lessons are funded through the school budget. The transport funding is however more of a challenge and a voluntary contribution and support would be greatly appreciated.

On Thursday 7th May (this week) I will be running our annual Parent Relationship Health Education (RHE) meeting at **3.15 pm**. This meeting is to share updates in the curriculum and explain how we cover this area within the curriculum as well as our RHE week w/b 18th May. Due to my teaching commitment I have had to move the time from 2.30 pm. This meeting is for adults only.

On Friday afternoon Year 1 and 2 & 5 and 6 will be joining together for a live assembly to celebrate the 100th birthday of Sir David Attenborough.

We have moved the date of the 150th school celebration to a Saturday to enable more members of the school and village community to attend. The date is Saturday 20th June and will be based around a traditional school fete. We will provide further information in due course. The fete will run from 12.30 – 4.30.

I hope you enjoyed the weekend and everyone is ready for the shortened week ahead.

Kind Regards

Jacqui Beavis – Headteacher
