Head teacher's message

Dear Parents / Carers,

It has been lovely to welcome a number of parents / grandparents in school this week to read with their family members. Thank you for popping in. World Book Day was on Thursday and each teacher worked with every class in the school. This year our theme was Fairy Tales. Thank you to Mrs. McQuirk for organising the resources and activities. All adults and children has lots of fun. I learnt a new skill of Green Screen and taking photos and transporting the children into a Fairy Tale Land. Thank you to one of our work experience young people for supporting me with this.

Year 5 & 6 attended a careers event on Wednesday at Westlakes Academy where they discovered a number of different career paths available in the local area.

Throughout the week we have had work going on in the playground to improve the space for the children and this includes the introduction of a shaded area as well plant pots and improved markings for the football pitch. Thank you to the apprentices at Atkins as well as support from Forth engineering in making these improvements.

Today we were visited by Josh McCallister our local MP. He spoke to the apprentices linked to the work at school and also visited every class. With the younger children he read a book and in Year 5 and 6 he discussed his role, as well as the discussions currently being linked to mobile phones being banned in schools and social media being post 16. The lending library outside was then officially opened. Thank you again to Mrs. Heywood for all her hard work on this.

I hope everyone has a lovely weekend.

Kind Regards
Jacqui Beavis – Headteacher
