Moor Row Primary School is committed to the welfare of our children and we regard the safeguarding of children as paramount.

The school works to safeguard children through;

- Safe processes-the school's policies are there to safeguard children
- Establishing and maintaining a safe environment where children feel secure and will be listened to in an open positive atmosphere
- Ensuring that children know that there are named adults in school and can name who they can approach if they are worried or in difficulty. Children know their '*Trusted Adults*'.
- We actively seek the views of children, listening to them and involving them in decisions about their education.
- Including in the curriculum activities and opportunities for PSHE, drugs education, anti-bullying initiatives and Kidsafe sessions which equip children with the skills they need to stay safe from abuse
- Making any referrals necessary to ensure the well-being of a pupil
- Encouraging a high level of attendance and punctuality
- A commitment to develop productive, supportive relationships with parents
- Involving children in decision making through the school council
- Having a trained ELSA - Emotional Literacy Support Assistant.

.....' The police, clinical commissioning groups and the local authority are under a duty to make arrangements to work together, and with other partners locally, to safeguard and promote the welfare of all children in their area. Everyone who comes into contact with children and families has a role to play'.....
