PTA SPRING DISCO

Thank you to our PTA for organising the spring disco on Monday and thank you to those who gave up their time to help at the event. The children had a great time and enjoyed the many party games that were played - as well as eating far too many sweets! The PTA raised £446.31. Well done everyone.

Tuesdays

cubs

Cubs are young people aged 8 to 10½ who:

- Master new skills and try new things
- Have fun and go on adventures
- Are curious about the world around them
- Help others and make a difference, on their own doorsteps and beyond

Cubs gather in groups called Packs to take part in lots of interesting and challenging activities – achieving anything they set their minds to, and having lots of fun along the way.

8-10½

#SkillsForLife

Cubs learn by doing, whether it is practical, creative or physical.

At Cubs, the most important skills you'll learn are the ones that will make you feel confident and happy in your own skin.

We call these character skills, and they include things like **honesty**, **initiative** and **problem solving**.

Whatever skills you'd like to learn, it's all about having the courage to try new things and learn from them.
