Moorfield News

Responsibility Perseverance Compassion Thankfulness

Dear Parents and Carers,

Welcome back to all of our school community. I hope the first week has gone well for all of our families.

As we move towards the Easter break in two weeks time our main focus this week has been to settle the children back into school routines and allow them the opportunity to reconnect with friends and teachers. There was a particular buzz around the school on Monday and very excited children and staff which was wonderful to see. If your child has found it difficult settling back into school life and we are not aware then please speak to their class teacher or member of senior leadership and we'll put a programme of support in place.

As great as it is to see all children back, it has been a bit of a shock to all of us this week seeing so many families back at school and seeing the playgrounds so busy when the children arrive in the morning and leave in the afternoon. The staggered times do work well when they are adhered to and I urge you to continue to follow these times to keep a steady flow of movement on and off the playground. Can I remind those of you who have only one child at Moorfield that the sibling time of 9.00am shouldn't be being used as this is unnecessarily increasing the number of people on the playground at this time. Thank you for your continued support.

It is Red Nose Day next Friday and you can expect further information to follow from Mr Collinson about the activities planned for the day in each class.

Picture News is back on page two of this newsletter and I hope you and your child can engage in the question for this next week.

Have a great weekend.

Best wishes,

Paul Anderson
Headteacher

What's going on this week?

A group of rebellion protesters in Euston Square Gardens, who built a 100ft (30m) tunnel under the gardens to protest against the HS2 high-speed railway line, have all now been evicted. They are campaigning against the development, which plans to improve transport links between parts of the north of England and London. The issue the protesters have, is that the planned route runs through areas of ancient woodlands and wildlife habitats.

Things to talk about at home...

- 🧑‍🦯 What do you think about how the protesters campaigned by building a tunnel? Why do you think they decided to do that?
- 🧑‍🦯 What do you think they would have found the hardest about living in a tunnel?
- 🧑‍🦯 Can you think of a time when you have disagreed with something and taken action?
