Pupil of the Week : Adele 6HT / Adele 6HT

PARENT Consultation

I hope those of you who had your parent consultation meetings this week found them useful? We would welcome any feedback on these online meetings either positive or negative so please feel free to get in touch by emailing me at headteacher@moorfield.stockport.sch.uk or feel free to share your thoughts with either Mrs Pugh or myself on the playground before or at the end of school.

Moorfield v Hazel Grove Primary

Well done to the girls team who won 9-1 on Thursday against Hazel Grove with goals from Imogen, Maisie, Evie, Adele, Demi-Leigh and Rachel. Evie and Demi-Leigh both scoring a brace of goals. A fantastic performance and some excellent football from both teams.

The boys team unfortunately lost 2-1 to Hazel Grove but put in an excellent performance and were beaten by two excellent goals. Well done to Leo for scoring what was at the time the equaliser. Well done to the boys for giving it their all in what were very challenging conditions!

We will be putting on some Christmas performances this year however, we are working with the challenges of Covid so there will be some restrictions or changes in place.

Reception Nativities will be on 8th December for RH and 9th December for RS. Both performances in the KS1 Hall at 9.20am. To ensure social distancing this will be limited to one parent per family.

Year 1 and 2 will be performing a Carol Concert in the KS1 Hall on 7th (1C), 8th (1CR), 9th (2C) and 10th December (2Q). All these performances will be at 2.45pm. Again this will be limited to one parent per family.

KS2 will also be performing a Carol Concert outside with Year 3 and 4 on 13th December and Year 5 and 6 on 14th December. Both performances will be at 2.30pm.

We are hoping to be able to allow these events to take place live with a back up plan of recording them if government guidance around Covid-19 changes this half term or if the weather for the outside events is inclement. Kaleidoscope will be in touch with parents about their Christmas plans very soon.

It is Children in Need next Friday and we will be having a non-uniform day to raise money for this very worthwhile cause. We are asking for a donation of £1 for wearing non-uniform. Thank you in advance for your support.

at Home

15th November 2021

What's going on this week?

A German professor believes that secure playgrounds prevent young people from finding out important dangers during their early years. Rolf Schwarz, from Karlsruhe College of Schooling in Germany, argued that 'we want to permit youngsters to return into touch with threat'. Built in 2018, a very high climbing tower, with many risky obstacles in Berlin-Frohnau's Ludwig Lesser Park is an example of a trend that has become popular in Germany over the last five years.

Things to talk about at home...

- 🧐 Are there any parks close to where you live? Do you visit them?
- 🧐 Talk about the importance of safety at parks, why do you think parks and the equipment at them is made to be safe?
- 🧐 If you could design your dream playground, what would be in it?
