Responsibility Perseverance Compassion Thankfulness

I will be sharing with you next week our newly appointed Head Pupils, Deputy Head Pupils and Senior Prefects from Year 6. This is something new we are introducing this year and I will be talking to all Year 6 about it once the votes are in. These positions will be chosen by the Moorfield staff, recognising the contribution the children have made to the school in their time here so far.

There will be an election for three new parent governors to join the Moorfield Governing Body. If you are interested in joining the school Governing Body, then look out for an email on Monday with regard to Parent Governor vacancies.

We will be having individual photographs on Monday 27th September. We will be allowing sibling photographs to take place, but unfortunately these will only be with those who are in school. We will not be able to include any brothers or sisters from the Moorfield pre-school, or younger children from home. Sorry about this, but we still have to be mindful of keeping the school building as Covid safe as is possible.

**WORLD'S BIGGEST  
COFFEE MORNING**

MACMILLAN  
CANCER SUPPORT

On Friday next week we will be getting involved with the MacMillan Coffee Morning and we invite you to join us. It will be held on the KS2 playground from 8.45am, weather permitting. Let's hope the sun is shining! There will be more information to follow as we would like some cake donations so we can raise as much money as possible for this worthy cause.

The Class Dojo has been a great communication tool over the last 12 months, but we have made the decision to only use this now in the event of self isolation or home learning due to Covid. Unfortunately teachers have been receiving messages well outside their working hours and dealing with questions that in the past would have been communicated through the school office. From next week can you please return to previous channels of communication, as the Dojo will not be being used.

What's going on this week?

Following the trail of devastation left by Hurricane Ida across parts of North America, US President Biden declared that 'historic investment' is needed to deal with the impact of climate crisis. He has blamed climate change for what's happened and believes the country needs to be better prepared for extreme weather. Hurricane Ida tore across more than 1,500 miles of the USA and was one of the most well-forecast storms in recent memory, causing catastrophic flooding and destroying buildings in its wake.

*Things to talk about at home...*

- 🍌 How do you think the people affected by Hurricane Ida may be feeling?
- 🍌 When you go through difficult times, are you able to think of the positives?
- 🍌 Do you think more money should be provided to help tackle climate change?
