Responsibility Perseverance Compassion Thankfulness

Dear Parents and Carers

I hope you all had a wonderful break over the half term holiday and took advantage of the fantastic weather.

As we move into the last half term of the school year, I know many of you will be keen to know the class your child will be moving into in September. This includes information for our new reception cohort of 55 children that will be joining us for the new school year. I hope to share this information at some point next week.

We hoped to be able to relax Covid restrictions from 21st June in line with the governments roadmap, however we will now have to wait until at least 19th July before this can happen. It is great news to hear that all over 18's can book their first vaccination but it is still vitally important we continue to be vigilant for this next four weeks at least. Wearing a face mask and keeping a safe distance from each other are two ways we can do this so please continue to follow these rules around the school site.

Best wishes,

Paul Anderson  
Headteacher

Well done to RS for winning the potato growing contest. At the weigh-in Miss Shortt's class had the heaviest bag of potatoes and scooped 1st prize.....which of course is chip related! We aren't quite sure how the class achieved this after forgetting about them over the half term break! A big well done to all classes for taking part.

South Manchester Cinema Club Presents an Outdoor Cinema Weekend on 25th/26th/27th June at Stockport Rugby Club

Films include Moana and Trolls which are aimed at the younger ones, family favourite The Greatest Showman moving on to more grown up films include Bohemian Rhapsody, Dirty Dancing with a late night showing of Pulp Fiction. The event is going to be screened on our 2.9mm LED video wall which is 6m wide.

Stockport Rugby Club has recently installed an outdoor bar to serve drinks and food and there will be an ice-cream van in attendance.

Subject to no social distancing rules there will be no formal seating which will allow families to mingle should they wish. Guests are encouraged to bring picnic blankets/camping chairs and cosy blankets for comfort..

Tickets per film are £8.50 for children and £10 for adults, however there are discounted family tickets available at £30 for a family of 4 and £42 for a family of 6.

Please see the poster below for more information.

What's going on this week?

The electric scooters, also known as e-scooters, are now available to rent in selected areas of London as part of a one-year scheme to measure their feasibility. As part of the trial, conducted by TFL (Transport for London) and London councils, the scooters are banned on pavements and limited to 15.5mph. Privately owned e-scooters remain illegal on most roads and cycle lanes due to a law dating back to the 1800s.

*Things to talk about at home...*

- 🍌 Have you seen an e-scooter before? Where was it used?
- 🍌 Do you think that e-scooters are safe to use on our roads?
- 🍌 What is the transport like where you live?
