Attendance Matters

Every Day Counts... Attendance

Headteacher Award

KS1 Lucas L Thankfulness  
KS2 Max D Respect

Dear Parents and Carers,

## CLASS PHOTOGRAPHS

On Thursday of next week the children will be having their annual class photographs. Please make sure, as ever, your child is in full school uniform. A last class photograph for our Year 6 pupils.

## MHSA DISCO

For those who's children attended the KS1 and KS2 disco's yesterday, I hope they enjoyed it. Events like this help enormously to raise much needed funds for school. This year, we have spent a substantial amount of money raised by the MHSA on books for both the school library and learning in the classroom. Your support for these events is much appreciated. A big thank you to Jane Robinson and the MHSA team, as well as to a number of staff who stayed behind to help and support the event.

## **END OF HALF TERM ACHIEVERS ASSEMBLY**

We have our usual end of half term assembly on Friday and will be welcoming parents and carers of the children who have been chosen for an award. If your child is chosen then you should receive an email early next week. Please check your junk/spam email as in the past we have had feedback that emails sent haven't been received. All assemblies will take place in the KS2 hall and all parents and carers should enter by the main school entrance.

9.15-10.00am - Reception/KS1

10.00-10.25am - Year 3/4

10.30-10.55am - Year 5/6

## **AND FINALLY.....**

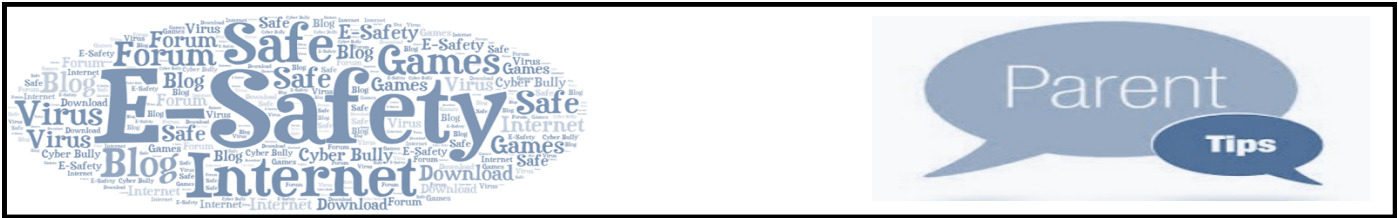

I know many of you at Moorfield follow Stockport County and they have a huge second leg play off game this Saturday v Salford. If you are lucky enough to be going or are watching it on the TV enjoy yourself and I hope the result is a positive one.

Have a lovely weekend, the forecast is looking very warm and sunny.

Best wishes,

Paul Anderson  
Headteacher

# Looking After Your WELLBEING ONLINE

We all know that taking care of our minds and bodies is essential to keep us feeling happy and healthy. The thing is, we spend so much of our time online these days that it's also important that we remember to look after ourselves in the digital world, too. Our poster has got some simple but useful tips for supporting your wellbeing while you're gaming, on social media or just using the internet.

**LOOK FOR POSITIVE COMMUNITIES**

# Picture News

## TAKEHOME

## In the news this week

30 years ago, on 30<sup>th</sup> April 1993, Swiss science company CERN opened up the World Wide Web to the world, free-of-charge. The 'collaborative information system' was being used by the scientists at CERN (the European Organisation for Nuclear Research) to communicate, without delay, across countries and continents but deciding that there could be wider uses for the tool, they made it available for everyone.

### Things to talk about at home ...

- How often do you access websites online? Are there any particular sites that are your favourites? What about others in your home?
- Talk to someone older, who can remember a time before people had access to the World Wide Web. Ask them how things were different.

Has being online changed things for the better?
