TRACKIT LIGHTS

Dear Parents and Carers,

Can I start by thanking all of our school community for the amazing amount raised from Ukraine Day last Thursday. We raised an amazing £1239. Thank you to the children, parents and staff for raising such an amazing amount. And a big thank you to Miss Pugh for a lot of organising and selling!

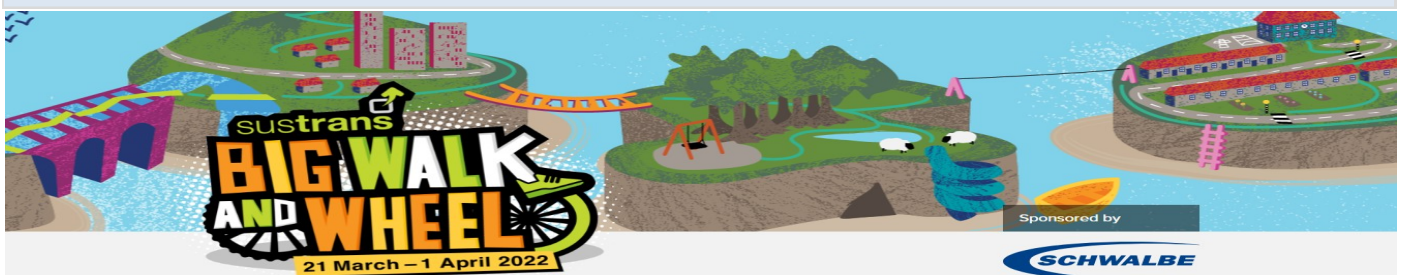

I hope those of you who attended Parent Consultation Evening enjoyed being back in school and having the opportunity to have a face to face conversation with your child's class teacher. I know the teachers enjoyed the opportunity. We will be sending out a Google form to all parents in the near future so you can share the experience and we welcome your thoughts and feedback. We will be in touch with 2C parents after the Easter break once we can confirm a date for the meetings.

The current cost of living is impacting on many of us. Some of you may be entitled to support and grants. Please see page 2 of the newsletter regarding support with energy bills and other support funds you can access from Stockport Council over the Easter period, into the summer term and beyond.

We finish today for the Easter break and look forward to welcoming you all back to school on Tuesday 19th April for the final term of the academic year. Have a wonderful break and a restful Easter period.

Best wishes,

Paul Anderson
Headteacher

Sustrans Big Walk and Wheel is taking place 21 March - 1 April 2022

Thank you to those who have engaged in the Big Walk and Wheel over the last two weeks. There were over 650 schools that took part across the country and we have our position up to and including Wednesday of this week. We are currently in 330th place nationally and 34th place regionally (in the north) with 62% of the school walking, scootering or biking. Thank you so much to all of you that took part, particularly those who changed their daily routine and left the car at home. I hope we will continue to see less cars outside the school gates for the foreseeable future.

Help with food and bills.

Stockport Council is committed to ensuring residents have the help and support they need as it continues to deliver the Department for Work & Pension's Household Support Grant. To provide support with the rising cost of energy, the council are awarding a voucher worth £45 to all households that meet the following criteria:

- In receipt of Council Tax Support and/or Housing Benefit from Stockport Council

Households in receipt of the above who received support through the Holiday Support Voucher scheme in February will NOT be eligible for this voucher.

Eligible families do not need to do anything to apply and will automatically receive a voucher. Vouchers will only be sent to families who were in receipt of Council Tax Support and/or Housing Benefit from Stockport Council on or before 21 February 2022.

The vouchers will be in the form of an explanatory letter which has a Post Office barcode in the bottom corner. Vouchers can be redeemed by taking the letter to any Post Office® branch and showing the barcode to the cashier. The appropriate cash amount will then be provided. No ID is required to redeem the voucher. Residents should visit www.postoffice.co.uk/branch-finder to find a Post Office branch and see the opening hours.

Vouchers will be received by eligible households from Saturday 25 March and must be redeemed within 3 weeks of the date of the letter. More information about the voucher can be found at <https://www.stockport.gov.uk/HESV>
