Responsibility Perseverance Compassion Thankfulness

Dear Parents and Carers,

## **AUTUMN 1 ASSEMBLY**

Well done to all of our winners who were celebrated in our Achievers Assembly. We celebrated our half term value of **THANKFULNESS** as well as awards in the key skills of **Phonics, Reading, Spelling, Handwriting, Maths and Home Skills**. Our winners are on the next page.

## **NON UNIFORM DAY**

Thank you for your bottle donations and apologies for the change to the non-uniform day at such short notice during the week. We made the change as we were aware there had been some discussion on parent class WhatsApp groups as well as receiving emails and phone calls relating to the matter.

The MHSA wanted to start collecting for the Christmas Fair earlier than usual to spread the cost for parents and carers. With it being this time of year, they thought about a Halloween theme without putting pressure on parents to buy Halloween outfits. They therefore came up with the idea of wearing black or a Halloween accessory. We were also conscious that if children had come to school in Halloween outfits with masks or face paint this would have impacted negatively on some of our children who find a change in the normal school routine difficult to adjust to. We therefore looked for a compromise to support all the school community but appreciate it wasn't communicated as well as it should have been and didn't work as it was meant to. Collectively, we will aim to improve on this in the future.

## **AND FINALLY.....**

It's been a wonderful first half term at Moorfield and the children have settled well into their new classes.

Thank you for your Harvest donations this week and thank you for the kind words many of you have shared regarding our Achievers Assemblies today.

We have finished for the half term break and return on Monday 30th October 2023.

I hope you all have a restful break.

Best wishes,

Paul Anderson  
Headteacher
