PRIMARY LEADERSHIP PUPILS

The voting has ended in each class from Year 2 to Year 6 and the following children will sit on the Primary Leadership Team this year:

Year 2 - Theo and Marlie

Year 3 - Alice and Oliver

Year 4 - Oliver and Ellis

Year 5 - Sienna and Teddy

Year 6 - Bailey and Tate

KP - Oscar

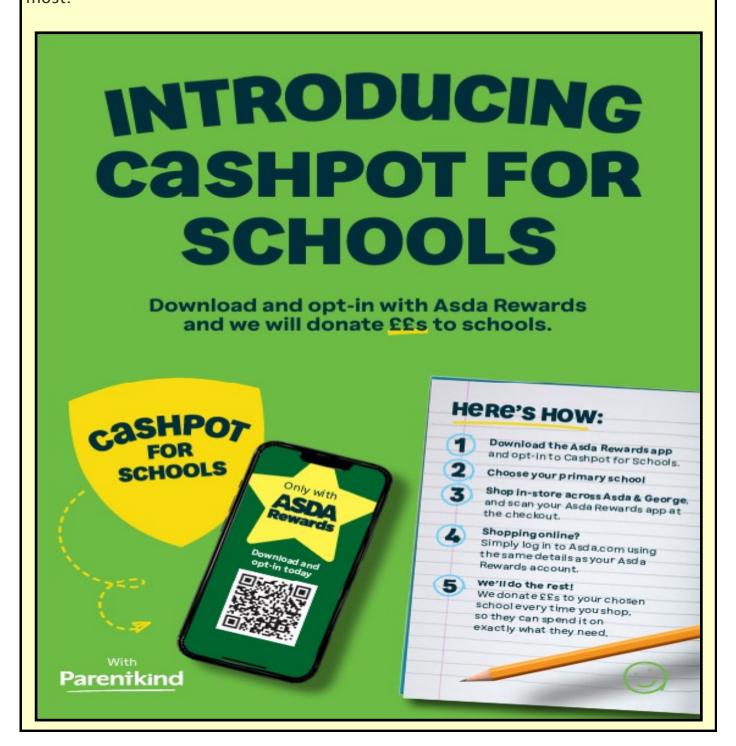

Well done to those who won the election in their class and a big thank you to all those children who put themselves forward and took part. We look forward to another year of improving the developing the school.

ASDA REWARDS

A reminder about the communication you recently from school regarding Asda Rewards and how, if you shop at Asda, you can raise money for Moorfield.

Parentkind - the charity that supports school PTAs - have teamed up with Asda, who is making millions of pounds available to donate to primary schools across the UK through their 'Cashpot for Schools' initiative - all you have to do is, opt in through the Asda Rewards app, choose our primary school and shop and scan in store or shop online at Asda.com, between 2nd September and 30th November 2024.

Asda will donate 0.5% of the value of your shop to our Primary school. Also, every time somebody opts in, Asda will give an additional £1 to the school Cashpot. Plus, it doesn't stop there – Asda are also giving £50 to every school to get them started. All money raised will be donated to schools to spend on the things they need the most.

END OF THE DAY PICK UP

We've had a couple of incidents this week where parents have informed the class teacher that they are collecting not only their own child but the child of another parent. Can I remind you, for safeguarding reasons, that you please contact the school office if your child is being collected by another parent or adult so this information can be passed on to the class teacher. Thank you.

BREAKTIME SNACKS

A reminder please that break time snacks are fruit only. In KS1 this is provided free of charge and in KS2 children are welcome to bring a piece of fruit if they want to have a snack at this time. The only children that should be having something different are those with a specific medical need and this has been agreed with school.

MHSA

Unfortunately, the colour run that was organised by the MHSA for next Friday has been cancelled due to the inclement weather that is forecast throughout the week. However, we hope to include this in events later in the year.

We will be meeting with the MHSA in the coming week to organise future events. However, the MHSA is in real need of more parents and carers supporting and helping organise events. If you can give any time to this please let the school office know and they will put you in contact with Hayley Crouch.

AND FINALLY

Along with this newsletter you will have received our annual 'Important School Information 2024/25'. In this document there is a reminder about the school day, home school agreement and important dates for the school year. Further dates will be shared when we have them. We hope you find it useful.

Best wishes,

Paul Anderson Headteacher

In the news this week

The UK's first teacherless classroom, using AI (artificial intelligence) instead of human teachers, has opened. David Game College, a school in London, began its new course for twenty GCSE pupils in September. The pupils will learn using both AI platforms on their computers and VR (virtual reality) headsets.

Things to talk about at home ...

- What do you imagine it would be like to learn without a teacher? What difficulties do you think might arise? What do you believe the benefits could be?
- What qualities do you think make a good teacher? Ask others at home. Do you agree on all of the qualities?
