Dear Parents and Carers,

SUMMER TERM

Welcome back for the summer term. I hope you all had a wonderful break. I can't believe we are in the last term of the school year already. A reminder that during this half term we have two bank holidays and two INSET days to be aware of. Monday 1st May and Monday 8th May (bank holidays) and Thursday 4th May and Friday 5th May (INSET days).

There are also two planned NEU strikes on 27th April and 2nd May which may impact on some classes.

KING CHARLES III CORONATION

To celebrate the Coronation of King Charles III, we will be having a Break the Rules Day organised by the MHSA on Wednesday 3rd May. Information should have come to you today. Check your child's bag if not. The theme will be red, white and blue and information from the MHSA will be coming to you shortly. Other events will take place on this day including a coronation picnic lunch. Let's hope the weather is kind to us!

YEAR 5 BIKEABILITY

Year 5 complete their cycling proficiency next week and will learn to safely cycle on the road. Don't forget to bring your bike which has to be in a good state of repair and your bike helmet.

AND FINALLY..... WEMBLEY WEEKEND

Good luck to both Manchester clubs at Wembley this weekend in the semi finals of the FA Cup. I know we have a few families heading to London. Whether blue or red, I hope you all have a wonderful time whatever the result. Not forgetting our local team, Stockport County, who are pushing for automatic promotion in League 2. If you're off to Edgeley Park on Saturday enjoy the game.

Have a lovely weekend.

Best wishes,

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many areas which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about OFCOM'S 'CHILDREN AND PARENTS: MEDIA USE AND ATTITUDES' REPORT 2023

Each year, Ofcom – Britain's regulatory body for communications – produces an overview of children and parents' media experiences across the previous year. The latest version has just been released, and we've pulled out some of the report's most thought-provoking findings which relate to online safety ...

In the news this week

An educational television programme for young people in Afghanistan has been launched by the BBC. The TV show has been created to help children, who have been banned from going to school in the country, and is aimed at children aged 11 to 16. The Taliban group, who took over the country in 2021, have stopped girls over the age of 11 from attending school. The weekly programme is called Dars, which means 'lesson' in Afghanistan's official languages.

Things to talk about at home ...

- Share your thoughts on the new TV programme for young people in Afghanistan.
- Thinking about how you learn, what is your preferred way, e.g., by listening, writing, doing?
- In what ways would your life be different without school?

How do you learn best?
