Responsibility Perseverance Compassion Thankfulness

wc 11th October

Class of the Week: 3C

Pupil of the Week : Parisha 3C

**Enjoy
half
term**

As we come to the end of the first half term, can I thank you all for your support since we returned in September. The children have settled back into school extremely well and the Year 6 have been wonderful role models.

We had a huge number of items brought in for Harvest and this half term's value of GENEROSITY was epitomised by the overflowing baskets that went to Wellspring earlier in the week.

We had a virtual end of half term celebration assembly for each class on Friday to celebrate the children who the teachers identified as showing excellent skills and attitudes towards different aspects of learning throughout the half term. Well done to all the winners.

A reminder that we have an INSET day on Monday 1st November, so the children return to school on Tuesday 2nd November. I hope you all have a lovely half term and enjoy any Halloween activities you have planned.

schoolcloud Parents Evening

We will be holding our first Parent Consultation Evenings the week commencing the 8th November. As we have done previously, we will be using 'School Cloud' and meetings will be held remotely. Information about the exact days for each class teacher will be going out very soon.

If your child has an Educational Health Care Plan (EHCP) then Mr Swire will be contacting you for a face to face meeting in the very near future. However, you are still welcome to arrange an appointment for these parents consultation evenings with the class teacher if you would like to.

Kaleidoscope parents have already had letters about their parent meetings earlier this week.

The purpose of this first meeting is to provide the opportunity for the teacher to share with you how well your child has settled, and to provide you with the opportunity for you to ask any questions and discuss how your child feels after their first half term.

Moorfield Primary Leadership Team

We have our elected class councilors in place and we met for the first time this week. These children from Year 2-6 will represent their class over the year and hopefully make a substantial contribution to the development of the school. Well done to all those who took part in the class elections and well done to the following children for being chosen: 2C Amelie, 2Q Liam, 3B Alice, 3C Maxwell, 4C Jaziah, 4W Seth, 5G Fraser, 5SR Bonnie, 6H Caitlin, 6M Callum, KP Jamie.

Stockport Metro have holiday courses next week for those children who are in the early stages of learning to swim.

25th - 29th October 2021

9.15am - Swim Tots parent in the water (suitable for children aged 2 - 4 years)

9.50am - B1 Beginners (a parent in the water session for children who need armband/noodles as floatation support)

10.25am & 11.35am - 5&10m Improvers (suitable for children currently swimming front and back without floatation support)

11am - Stroke Improvers (suitable for children who can swim 10m front and back and are learning strokes)

Holiday courses 30min per day at a cost of £34 for the week. For more information and booking please follow the link below.

Apologies for sending a link a few weeks ago to free tickets for Stockport County. I was kindly given the link by a parent, however It wasn't our schools allocated game and created some confusion at County. I have subsequently made the club aware it is a vert easy process for anyone to find the link and book tickets but I can only apologise to the inconvenience that was caused for many of you. We now have a future game allocated to Moorfield and the letter below explains the booking process.

**Community
Trust**

Moorfield Primary School

Dear Parent/Carer,

Stockport County Community Trust would like to invite you along to Stockport County's home game against Bromley on Saturday 13th November 5.20pm Kick Off, at Edgeley Park. As part of our school's initiative, sponsored by Together Finance, we are offering you and your child (aged 6-12), free tickets to attend the game. You are also able to apply for up to three extra children's tickets if you have more than one of your own children (aged 6-12) wanting to attend the game.

The school's initiative is all about growing the fan base and making live football accessible and affordable to the next generation of match-goers in the local community. On the day you'll be able to experience the electrifying atmosphere at Edgeley Park, you'll be able to visit the junior supporter's zone and get a picture with the life size team photo, get your face painted in County colours and see what sweets the tuck shop has to offer. You will also be able to explore the Club shop, and even catch a glimpse of Vernon the bear himself!

All you need to do to claim your tickets is use the link below, fill in the form and we'll email your e-tickets to you within 48 hours prior to the game. In order to receive your tickets, you must fill out the application before Friday 12th November at 12pm.

Please be aware that ticket requests will only be approved from children attending the selected schools who will have received the link via their school text/email service directly. The link cannot be shared on social media, WhatsApp groups etc.

www.stockportcounty.com/together/

Please note, if you require to purchase any more tickets, please let us know when filling out the form and a member of our team will call to take payment, this way we can ensure you will be sat together.

We look forward to seeing you at Edgeley Park.
