HARVEST

Thank you for all your kind donations this week. We had a wonderful assembly on Monday learning about the Stockport Foodbank and singing Harvest Samba! Many families in Stockport and within our own community, will benefit from the many items we received. Thank you.

READING CAFE

On Tuesday we opened the doors to Moorfield's very first (and wildly popular) reading café. We teamed this with a workshop aimed at parents and carers to support their children with reading and phonics at home. The children happily crafted away on their beautiful home-made bookmarks whilst the parents learnt all about our phonics scheme, blending and segmenting, applying sound buttons and helpful hints and tips to help at home. We then shared some videos showcasing how to get the most out of reading books and we even enjoyed a live demo of some Year One phonics games. The children then spent time with their parents and carers sitting at the café with some wonderful refreshments provided by the PTA and shared stories together. The adults used the question prompts on the tables to support their children's understanding of the texts. We look forward to hosting more successful events like this in the future. Thank you all for attending.

TIMES TABLES ROCK STARS

Our TT Rockstars week was a great success across all classes from Year 2-6. We gave out certificates for the top 3 scorers in each class, the top 3 classes and the top 3 individual performances at the end of assembly on Wednesday. Here are the winners:

NOTICE: SCHOOL CAR PARK CLOSURE AFTER HALF TERM

Following a decision by the Governing Body, the school car park will be closed to all parent and carer vehicles starting immediately after half-term. This applies to all drop-offs and collections, including the Resource Base, Kids Childcare Hazel Grove before and after school club, and extra-curricular clubs.

We know this may cause some inconvenience to your morning and afternoon routines, and we do not take these decisions lightly. However, this step is necessary for a number of important reasons. Firstly ensuring the safety of families crossing the car park entrance between the KS1 and KS2 gates. Secondly, addressing the issue of limited spaces, and preventing further damage to parked staff vehicles, which we have seen a number of times in the last few months. Finally, by removing moving traffic from the site this will create a much, safer walkway and car park for all our pupils and families.

As shown on the red gates sign, the car park is for staff and authorised users only. The main gates will remain closed and will only open for the authorised council SEND transport. All families arriving on foot should use the main KS1 gate, which opens at 8:45 AM and 3:15 PM.

Thank you for your cooperation.

How can emojis help us to communicate?

In the news this week

Nine new emoji characters, including a pickle, a lighthouse and a monarch butterfly, have been approved by the Unicode Consortium. The new designs are expected to appear on phones and other devices throughout 2027, giving people more ways to communicate using pictures. The update includes 19 additions in total, once different skin-tone versions of the new hand gestures are counted.

Things to talk about at home ...

- > Can you and someone at home tell a short story using only pictures?
- > Do you both think the same emojis mean the same thing?
- > If your family could create a new emoji, what would it show?
- > Talk about some of the other ways we might communicate without words.
