Responsibility Perseverance Compassion Thankfulness

WC

Class of the Week:

Our trackit light winners will return next week

Pupil of the Week:

TRACKIT LIGHTS

Dear Parents and Carers,

Welcome back after our half term break and I hope you made the best of a week that weather wise, was very wet and windy!

I'm sure you are aware of the Governments announcement of the relaxing of Covid-19 restrictions, particularly around mask wearing and isolation. In schools the advice is still very much for children to isolate if they have symptoms and remain at home if they have a confirmed or suspected case of Covid-19. At this moment in time our Covid-19 positive cases are very low so we will no longer be expecting parents and carers to wear masks when entering the school playground, however you are welcome to wear a face mask if you wish. We will review our risk assessment regarding the wearing of masks within school and make you aware of any further changes in due course.

We are starting to re-introduce extra-curricular activities this half term and we hope to increase this offer as we move into the summer term. Both governors and SLT are looking at a variety of options and we will update you in the future. A letter sharing the current activities on offer was sent out earlier this week.

We certainly hope for a successful second half of the academic year and the opportunity to welcome parents back into school for parents evenings, events and celebrations. Have a great weekend and wrap up warm.

Best wishes,

Paul Anderson
Headteacher

Information & Support

This is a reminder that the holiday support vouchers issued for the half term and Easter holidays are due to expire next week. The vouchers are worth £60 per child and help to cover the cost of food, fuel and other essentials during the school holidays. Please redeem your voucher if you haven't done so already. Most families will have received an email voucher, this can be found by searching for 'Post Office Payout' in the inbox or spam folder. If the council does not hold an email address for you, you should have received an Aldi gift card via the post instead. These vouchers need to be redeemed by next week (3rd March). Any queries can be directed [here](#).

The Moorfield Home and School Association (MHSA) had their AGM on Wednesday and the following parents and staff were voted in:

MHSA AGM

Committee Election Results

Chair	Jane Robinson
Vice Chair	David Robinson
Joint Treasurers	Claire McAlpine
	Sarah Kemp
Secretary	Rachael Twemlow

Any suggestions, ideas or comments?

Please contact: janerobinson.mhsa@gmail.com

They would welcome some new members so if you have some time to give please contact Jane on the email address above. A big thank you to all of the MHSA's efforts throughout a very challenging couple of years.

It is the 25th Anniversary of World Book Day on Thursday 3rd March and we are celebrating with a non-uniform day. Please send your child to school in party clothes or dressed as a book character. There is further information in the letter sent yesterday.

Whose responsibility is it to help endangered animals?

In the news this week

Australia has announced that koalas are now listed as an endangered species across most of its east coast, after a huge drop in numbers. The country's environment minister, Sussan Ley, said that koalas, which had been listed as being vulnerable, would now be listed as endangered in the states of New South Wales, Queensland, and the Australian Capital Territory. Scientists have been warning for many years that the native marsupial's habitats were being hit by drought, bushfires, and land development.

Things to talk about at home ...

- Do you know any other animals that are at risk of extinction?
- Can you think of ways that we can help animals that are endangered? E.g., raising awareness or giving donations to charity.
- Currently, do you think enough is being done to help, when a species becomes at risk of extinction?

Please note any interesting thoughts or comments
