TRACKIT LIGHTS

Dear Parents and Carers,

Can I say a big thank you for supporting our Ukraine Day by wearing blue and yellow clothes and thank you to those who brought cakes into school. If you recall we will be donating this to 'School in a Bag' who are helping Ukrainian families. We know we have raised over £500 but haven't a final total as of yet as there is so much money to count. A big thank you for everyone's efforts.

Not forgetting Red Nose Day last week which raised £325. Thank you for your support. We have asked a lot for donations recently and it is much appreciated.

A reminder, we have parents consultation evenings across the final week of the term and can I please remind you, for those attending face to face meetings, to wear a mask in the school building and not to arrive early for your appointment. Please refer to the letter you were emailed regarding the entrances to the KS1, Kaleidoscope, Year 3 and KS2 buildings.

We have one week left before the Easter break and it has been great to see many of you coming to school without the car as you will see below. However we seem to have had a number of parents starting to park in the school car park for pick up and drop offs without permission. The car park is only open to Kaleidoscope parents and those given special permission to support the collection of their child. The size of our car park can't sustain the number of cars using it and there is a real danger that someone will get seriously injured. Please adhere to this request. Can I also remind you that the gate to the car park from the Reception playground should not be used as a shortcut by those on foot across the school car park and out of the gates. Please use the one way system in place.

The sun is shining and spring is definitely here. Enjoy the weekend.

Best wishes,

Paul Anderson
Headteacher

Sustrans Big Walk and Wheel is taking place 21 March - 1 April 2022

Thank you to those who have engaged in the Big Walk and Wheel this week. There are over 650 schools involved across the country and Moorfield is currently in 256th place nationally and 26th place regionally (in the north). We have nearly 60% of our children coming to school by scooter, bike or walking. There have definitely been less cars outside school on a morning so many of you are making a conscious effort to leave the car at home which is brilliant. There is still one week to go so lets see how far up the leader board we can get.

The children enjoyed the beautiful weather during science week. Each year group has planted a tree for the 'Queens Platinum Canopy' in honour of her 70 years on the throne. This is Summer and Cal planting the Year 5 tree.

If you keep trying, will you always succeed?

In the news this week

The shipwreck of Sir Ernest Shackleton's ship, *Endurance*, has been found 107 years after it became trapped in ice and sank off the coast of Antarctica. The Falklands Maritime Heritage Trust said the ship, which had not been seen since it sank in 1915, was found by a robot at a depth of 9,868 feet (3,008 metres). Footage of the wreck shows it has been very well preserved, with the ship's wheel still intact and the name 'Endurance' still visible on the ship's stern.

Things to talk about at home ...

- How do you think the team felt when they found the *Endurance* shipwreck over 100 years after the ship sank?
- Can you think of a time when you've persevered and achieved something, perhaps not on your first attempt?
- Why do you think failure is harder for many of us to deal with than success?

We're delighted to announce that Holiday Courses are running this Easter Holiday at Life Leisure Bramhall for children in Reception to Year 6.

This is a fantastic programme, run by LSC, to help further develop your child's co-ordination, technical skills, and self-confidence. They'll have lots of fun and meet new friends.

Courses follow a specially designed curriculum which ensures all activities are age and skills appropriate. Plus, your child can choose a course based on their interests:

- Multi-Sport
- Football
- Dance & Gymnastics

Programmes start on Monday 4th April – Thursday 14th April 9.30am - 3.30pm. Additional wrap around care can be added if you require early drop-offs and late pick-ups between 8am – 6pm (please, add this to your shopping cart at the checkout).

LSC has worked in schools for over 20 years, and the highest childcare level is always a priority. They take safeguarding extremely seriously, and all sessions are led by fully qualified coaches who are first aid and safeguarding trained, in addition to holding up to date DBS (Disclosure and Barring Service) certificates.

If you have any questions, please get in touch contact LSC directly by emailing info@wearelsc.co.uk.

Did you know LSC also run sessions for Toddlers at our TOTS FC centres, this runs from ages 18 months – 5 years old! You can find out more about this by clicking [HERE](https://bit.ly/3lwabFH) <https://bit.ly/3lwabFH>
