IN THIS WEEKS NEWSLETTER

- pg 2 Author Visits
- pg 3 European Day of Languages / Primary Leadership Team
- pg 4 Harvest Week / School Car Park

AUTHOR VISITS

We have been fortunate to have had two fantastic authors in school over the past week. We were paid a visit by the author Rachel Morrisroe who came to read her new books “The Tale of Grizzly Grim” and “oodles of poodles”. The children absolutely loved both rhyming stories but we were definitely team poodle.

We then had a master class of how to draw our own poodle and all created beautiful pesky pirate poodle pictures.

That was followed by an absolute BEST time with the author Max Porter! The children absolutely loved it! What a brilliant guy! Highly recommend this book. We sang a theme tune, learnt how to beatbox, created sound effects for the story, learnt an array of new vocabulary, took part in a quiz and even caught flying squid!

EUROPEAN DAY OF LANGUAGES

We have enjoyed celebrating European Languages day today. A big thank you to two of our parents, Miss Thornley and Mrs Barnett, for coming into school to teach French and Spanish to some of the classes in the school.

PRIMARY LEADERSHIP TEAM

Well done to the following children who were chosen to be school councillors for their class:

2/3C - Ayla B

3H - Zaki B

4C - Melody P

4G - Max S

5P - Noah A

5H - Connie W

6R - Bruce L

6H - Tenzing L

A big thank you to all those children who put themselves forward and had the confidence to stand up in front of the class and make a speech.

HARVEST WEEK

We will be having our annual Harvest Festival on 19th October. This year we will be raising money for Stockport Foodbank. Please start thinking about any donations of tinned or dried food, long life milk and long life fruit juice. Thank you.

AND FINALLY..... SCHOOL CAR PARK

We are currently reviewing parking arrangements for parents of Resource Base pupils and any other parents who have received permission to use the school car park for drop-off and pick-up.

Unfortunately, prior to the summer break and since our return in September, there have been incidents where staff cars have been damaged by parents or family members using the car park. It is particularly disappointing that those responsible have driven off without informing a member of staff.

As a result, this matter will be discussed at our upcoming Governing Body meeting in October, after which we will inform you of the governors' decision.

Picture News

TAKE HOME

28th September
- 4th October

In the news this week

The Bayeux Tapestry is a nearly 1,000-year-old very long piece of cloth covered with pictures sewn in colourful thread that tells the story of a very famous event called the Norman Conquest of England. The almost 70-metre-long piece of art has travelled from its usual home in France, to go on display at the British Museum in London. It shows the events leading up to the Battle of Hastings in 1066, and depicts soldiers, horses and ships.

Things to talk about at home ...

- > Which stories are important to your family and how have these stories been passed from one person to another?
- > Do we have any photographs or objects that tell part of our family's story?
- > What do you think we can learn from different types of stories? E.g., written, photos or ones we retell.

How can we share our stories?

Please note any interesting thoughts or comments

Advice for Parents & Educators

Talk openly about paid features such as Discord Nitro, profile cosmetics, and in-game purchases. Make sure the young people in your care understand that digital items still cost real money. Check payment settings on the device they use, avoid storing card details where possible, and consider adding approval requirements for purchases, particularly for younger or more impulsive users.
