Responsibility Perseverance Compassion Thankfulness

wc 8th November 2021

Class of the Week: RS

Pupil of the Week : Ruby RS

TRACKIT LIGHTS

Dear Parents and Carers,

I hope you are all well and looking forward to the run up to Christmas and the end of term. It definitely feels like Christmas has started early this year but after what we have experienced as a nation in the last 12-18 months that is probably a good thing for many of us.

As we approach the last week of November and the start of December we currently have a very low rate of Covid-19 in school. However, we remind you to lateral flow test your child, particularly in KS2 on a regular basis. If we have any confirmed cases in a class we will send a text message advising you to lateral flow test your child daily. We also encourage you to test your child if they are in KS1, however we do understand this is difficult with younger children and may not be possible for some.

Thank you to all those parents and carers who shared their thoughts on the parent consultation evenings. We will take these forward before making a decision on the spring term meetings.

I hope you all have a lovely weekend and have your advent calendars at the ready for Wednesday.

Best wishes,

Paul Anderson
Headteacher

We finish for the Christmas break on Wednesday 22nd December and will be celebrating the end of term with a 'Christmas Jumper Day', with money raised going to Save the Children and MHSa. We will also be having our Christmas Dinner on this day so it should be a great start to Christmas. We intend to have class Christmas parties on the Monday and Tuesday of this week as well and we will send more information about this nearer the time.

Road Safety Week

This week has been Road Safety Week at Moorfield and class teachers have been discussing with children the dangers of the road. In particular talking about Lyndhurst Avenue directly outside the school gates. It's great to see so many of you now using the crossing patrol and many of you who drive, do park away from the school which we really appreciate. For those of you who do park on the single yellow lines, particularly outside the KS1 entrance and exit, I ask that you think again about this as it does create a danger to other road users and pedestrians. Thanks for your support.

We raised a fantastic £367.58 for Children in Need last Friday so a big thank you to all of you

who donated and to the fantastic Pudsey Bear inspired clothing and fancy dress that some of you wore .

at Home

29th November 2021

What's going on this week?

Brazil's indigenous people came together at COP26 earlier this month to share their message, that the world needs their expertise in protecting the Amazon rainforest. They have said they face increasing threats from loggers and miners. Their way of life is being threatened and huge areas of forest are being destroyed. It's thought that indigenous leaders in Latin America and the Caribbean protect around an eighth of all the carbon stored by tropical rainforests across the world.

Things to talk about at home...

- 🌿 How can the land indigenous groups live on be protected? Whose job do you think it is?
- 🌿 What types of things do you think help make a 'natural life'? Do you think it's important for us try to make our lives as natural as we can?
