EASTER EGG COMPETITION

Some of our pupils entered the Easter Egg Competition that was provided by our lunch provider TLC to all their schools in Stockport. The aim was to design an Easter egg being as creative as possible.

Molly was one of seven runners up in the competition and received a chocolate egg. Oliver's design came second overall and he got a framed certificate and a chocolate egg. Well done to both these children for doing so well and thank you to all those who took part.

GOODBYE AND GOOD LUCK TO MISS HALL

We are saying goodbye to Miss Hall today as she embarks on a new journey at a school in Poynton. We will all miss her very much as she has been a wonderful teacher in the nine years she has worked at Moorfield.

We have interviewed for the post this week and appointed a teacher called Miss Young. Miss Young has taught in Year 1 this year so is very familiar with the curriculum. We look forward to welcoming her to Moorfield after the break.

AND FINALLY ...

We finish for the spring term break today for two weeks and return to school on Monday 13th April for the start of the summer term. Enjoy the break and a Happy Easter to those celebrating it.

Please note the summer 1 term includes a Bank Holiday on Monday 4th May and two INSET days on Thursday 7th and Friday 8th May. KS2 SATS week for Year 6 pupils is the week commencing Monday 11th May. Check out the Effective Revision and Study Skills information in the e-safety section of the newsletter to support your child.

Best wishes,

Paul Anderson
Headteacher

TAKEHOME

30th March - 5th April

In the news this week

The Bank of England, that designs and makes the UK's banknotes, has said that future notes will include British wildlife, such as animals or plants, instead of historical figures. At the moment, UK banknotes feature the British monarch on the front and well-known people from history on the back. However, some believe the back of banknotes should instead celebrate nature, showing animals, birds, or plants that live in the UK.

Things to talk about at home ...

- Look at a coin or banknote you have at home. What pictures or symbols can you see on it? Why might they have been chosen?
- Different countries show different things on their money, such as leaders, buildings, or wildlife. What do you feel money should say about a country?
- Imagine you could design your own coin or banknote. What picture would you include and why? Ask someone at home about what they would choose.
