WORLD BOOK DAY

Mrs Stout, our English Lead sent a letter this week informing you of our plans for World Book Day on Thursday 6th March. Children can come to school dressed as their favourite book character or come to school in their pyjamas. We are asking that the children bring a book in from home that they no

longer want and swap it with another child in their year group. There will be a whole school scavenger hunt and adults across school will be going to read a story to a different class. All classes will be focusing on the same picture book by author Aaron Becker and there will be a whole school celebration towards the end of the day. For those children in Kaleidoscope, there are adaptations to the dressing up and the day in general. Please check with your class teacher.

YEAR 4 ROMAN DAY

The Year 4 children acted out a battle to show how strong and disciplined the Roman army were. They learnt about a gladiators equipment, daily life and duties. They also playing a Roman game with ancient dice, where they shouted to Roman Gods for their luck. They had a fantastic time for the start of their

ONLINE SAFETY

We recently carried out a 'pupil voice' session with the focus on computing. Many of the children shared that they were comfortable with using the computers and searching on the internet in school because of our safeguarding filter system 'Smoothwall'.

However, some of the children shared their concern that when on the internet at home they see 'pop-ups' that worry them and they can access sites which suggest age appropriate filters are not set. Can you be mindful of what your child is accessing and check your filter levels to ensure the content they are viewing is suitable.

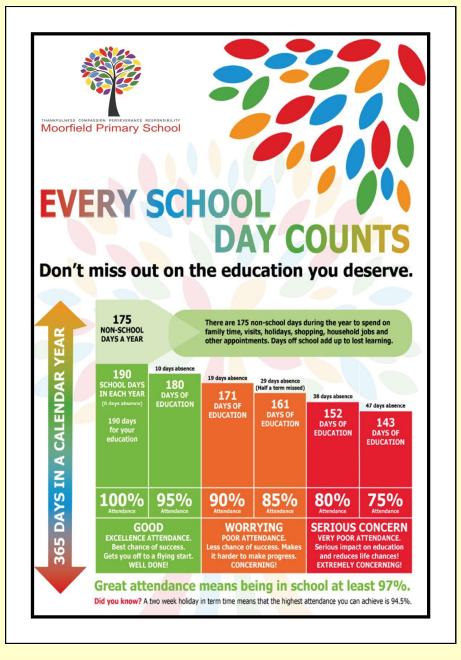

AND FINALLY... PARENT CONSULTATION EVENINGS

A reminder that we have parent consultation on Monday and Wednesday next week. As previously. Reception and KS1 meetings will take place in the KS1 hall and KS2 meetings in the KS2 hall. Access to the KS1 hall will be via the R/KS1 gates and through the playground to the rear entrance of the hall. Access to the KS2 hall will be through the main school entrance. Teachers will share your child's current attendance this vear from the start of the autumn term. A reminder of the required attendance across the vear is here.

Have a great weekend.

Best wishes,

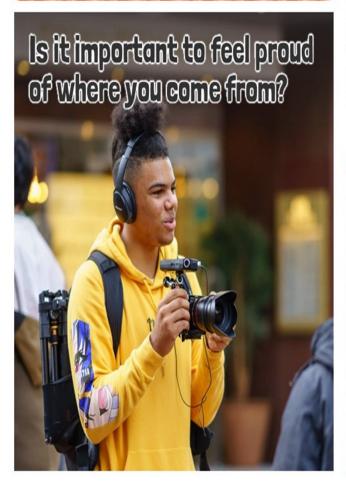

Paul Anderson Headteacher

In the news this week

The Times newspaper recently asked young people, aged between 18 and 27 (also known as 'Gen Z'), what they thought about their lives and life in the UK. The survey showed lots of views, including that 4 out of 10 young people are proud to be British, and around half feel that people in the UK are accepting and welcoming towards others.

Things to talk about at home ...

- Share your response to this week's news. Are you proud of where you are from? Share your response with an adult at home, and ask them the same question.
- Can you think of some ways people might show they are proud of their heritage and where they are from?

What Parents & Educators Need to Know about

ARVEL RIVA

Marvel Rivals launched in December 2024 and amassed a player count of nearly 150,000 in mere weeks. This player versus player (PvP) shooter packs in a host of recognisable comic-book characters, pitting two teams of six against each other. Despite the game's cartoonish nature, there are several potential risks for parents and educators to be aware of.

WHAT ARE

THE RISKS?

IN-GAME PURCHASES

While Marvel Rivals is free, there is an in-game store, selling character skins from recognisable movies and comic-book titles. Each season also includes a E10 Battle Pass (much like those seen in Fortnite and Call of Duty), offering a series of exclusive cosmetic items. These passes don't expire – but they can't be purchased once the next season rolls around, creating a fear of missing out.

Advice for Parents & Educators

FOLLOW ESRB RATINGS

The ESRB rating for Marvel Rivals says the game shouldn't be played by anyone under 13. Most children of that age will be able to appreciate the moral compass of the roster of characters (people can play as Hela, the Goddess of Death, for example), while also ensuring that the violence, however cartoonish, won't overwhelm them.
