TRACKIT LIGHTS

Dear Parents and Carers,

I hope you have all had a good week and are looking forward to the weekend. With two weeks of the half term left there is still plenty to do before the half term break.

The final week of the half term will be Internet Safety Week with Internet Safety Day on Tuesday 8th February. The need to learn and understand internet safety seems to have become more important year on year with the influx of many social media and gaming platforms. We hope this week helps imbed the message and we will provide supporting information nearer the time.

You will have heard in the media about the 'Platinum Pudding' Competition to celebrate the Queens Jubilee. You can read more about it on the next page in our Picture News 'Take Home' section as well as by clicking on the link here <https://www.fortnumandmason.com/platinum-pudding>. We would love to hear if any of you are entering the competition and I'm sure classes will be talking about it next week as part of their Picture News time.

Have a great weekend.

Best wishes,

Paul Anderson
Headteacher

Recycle 4 Charity

A reminderIf you have any old printer ink cartridges at home then please bring them to school as we are engaging in a recycling project that can earn money for our school. You will find the box just outside the main reception.

Recycle 4 Charity

Treasure Hunt

Attention to all children and teachers!

Find some empty ink cartridges and bring them to the school to turn them into gold!

Your school will receive money for them, and you will help the environment with your recycling!

Clue

There are hundreds of different ones out there, you will find them near home printers and when not hiding inside printers they usually look like this

What type of events do you think deserve a celebration?

In the news this week

The Queen has announced a special competition ahead of her Platinum Jubilee later this year. The nationwide competition aims to find the perfect pudding that can be served for her Jubilee and beyond. Buckingham Palace has recently unveiled the full line-up of celebrations to mark the Platinum Jubilee this year which, alongside the pudding competition, includes street parties, a concert and a huge street parade. On 6th February, the Queen will have reigned for 70 years - she's the first British monarch to reach the milestone.

Things to talk about at home ...

- > Share the events you celebrate. For each, talk about how and where you celebrate each of these?
- > Why do you think we choose to celebrate the things we do? E.g., birthdays, religious festivals, or anniversaries.
