YEAR 3 UK LANDMARKS

Our Year 3 pupils have been working hard at home building landmarks of the UK as part of their Geography unit.

They had to choose a UK landmark and present it in their most creative way. We've had models of The Kelpies, The Giant's Causeway, Big Ben, The Smallest House in Britain, The London Eye, Stonehenge, Conway Castle, The Natural History Museum, The Monument to The Great Fire of London, Tower Bridge, The Angel of The North, The Trafford Centre, Loch Ness and many more!

Unfortunately, no models of the Tyne Bridge but we can live in hope for next year!

Some of these amazing structures are on the next page.

YEAR 3 UK LANDMARKS

YEAR 5 SWIMMING GALA

Well done to our Year 5 swimming team who competed in the Stockport Gala on Thursday morning. They came a credible second and we had many first place finishes in individual events. Well done to those children who took part: Bailey, Seb, Millie, Sophia, Lucas, Matthew, Ella Mc, Harriott D.

AND FINALLY.....

We finish the spring term today and return to school for the start of the summer term on Monday 15th April.

I hope you all have a restful break and for those celebrating Easter or Eid I hope you have a wonderful time.

Best wishes,

Paul Anderson
Headteacher
