Responsibility Perseverance Compassion Thankfulness

Dear Parents and Carers

As we come to the end of summer 1, can I first say how great it has been to have a 'normal' half term. It has been great to see the children settled in school and enjoying their learning.

Thank you for your support with the MHSA event, Breaking the Rules Day. Much needed funds raised and fun had by all. I'll be pleased to get back to Not Breaking the Rules Day after half term!

We finish today for a two week break and return to school on Monday 14th June. The weather forecast looks good and I hope you all have a relaxing break and take the opportunity to visit friends and relatives. Please see below for information about contacting school with a positive case over the weekend.

Best wishes,

Paul Anderson
Headteacher

Positive Case

We are still expected to 'track and trace' the close contacts of any Covid-19 cases for the first 48 hours after we finish for the half term break. If your child receives a positive test result between the close of school on Friday 28th May and Monday 31st May then please let us know by emailing: admin@moorfield.stockport.sch.uk

In your email communication, please provide us with the following information:

- Name of your child
- Date of onset of symptoms
- Date of test
- Date of test result
- Outside of their class bubble any pupils or adults they can remember coming into contact with in school, to and from school and during break and lunchtimes

The diagram below shows this 10 day isolation process.

Many of our children have entered the Royal Mail Stamp Design Competition and there is an information letter below about the competition below. If you do not wish for your data to be used please contact admin@moorfield.stockport.sch.uk

Dear Parent/Guardian,

Our school is delighted to be taking part in Royal Mail's Heroes Stamp Design Competition, honouring the heroes of the coronavirus pandemic.

Eight pupils from primary and secondary schools across the UK will become the designers of this stamp set, and one could be your child!

Each entry we send in will have the name of each child, plus their age and our school's name and postcode.

Before we submit entries to Royal Mail we need explain how Royal Mail will use these details.

Royal Mail will use these details of children who enter (i.e. name, age, school name and postcode) to run the competition, including to contact the winners and distribute prizes. Royal Mail will share this information with iChild Limited and The Education Company Limited, who are helping Royal Mail to run the competition.

Except in the case of the 120 children who reach the Regional Finalists stage, Royal Mail will delete all of this data by 30th September 2021.

As is usual in competitions, Royal Mail may, if requested, tell the Advertising Standards Authority of those winners' surnames and counties. Members of the public will also be able to ask Royal Mail for that information after 30th September 2021. If you object to your child's surname and county being available to members of the public, you should write to Heroes Stamp Design Competition, Royal Mail Group, 185 Farringdon Road, London EC1A 1AA. However, Royal Mail may still need to give this information to the Advertising Standards Authority on a confidential basis.

If your child enters the competition, Royal Mail has what data protection law calls a "legitimate interest" to use your child's details (i.e. name, age, school name and postcode) in the ways described above. However, your decision of what is best for your child takes priority, so if you have any concerns please let your child's teacher know not to include your child's design in the competition.

Please refer to Royal Mail's Privacy Notice at <https://www.royalmailgroup.com/en/site/privacy-notice/> for more information about how to exercise data protection rights, contact Royal Mail's Data Protection Officer or raise complaints with the Information Commissioner's Office.

If your child is one of the competition winners, Royal Mail will contact you separately, via the school, to discuss whether you would be willing to take part in publicity.

Thank you,

Heroes Stamp Design Competition
