Dear Parents and Carers,

It was wonderful to see many of you in school this week for our first parent consultation of the school year. I hope you found the booking process and organisation in both school halls and the Kaleidoscope classrooms easy and effective and the conversation with your child's class teacher a useful one. I can't emphasise enough the importance of the partnership between school and home and we look forward to working with you all this academic year.

MACMILLAN COFFEE MORNING

A big thank you to those who donated cakes and biscuits to the Macmillan coffee morning and for all the money that was raised = £140 in total. Thank you to all those who bought cakes, biscuits, teas and coffees and to the Year 6 pupils who helped organise the event. Excellent role models and many comments on how great their manners were.

A VERY IMPORTANT CAKE SALE NEXT WEEK

Olivia in 6HT celebrates 5 years clear this month following treatment for Acute Lymphoblastic Leukaemia. Olivia was diagnosed when she was 3 and had 2.5 years of chemotherapy treatment under Manchester Children's Hospital. Olivia would like to celebrate and raise awareness by holding a cake sale in the KS2 playground after school on Friday 7th October. Olivia will be raising money for CCLG the Childhood Cancer and Leukaemia Charity. Please buy a cake and help support her cause.

I hope you all have a lovely weekend.
Best wishes,
Paul Anderson
Headteacher

TAKEHOME

Do we achieve more when there is competition?

In the news this week

The popular dance competition, Strictly Come Dancing, has returned to TV screens. The 20th series of the competition has the show's largest ever line-up of professional dancers. Fifteen celebrities are competing for the glitterball this year, including presenters Kym Marsh and Helen Skelton, former footballer Tony Adams, Paralympic gold medallist Ellie Simmonds, EastEnders actor James Bye and singer Matt Goss.

Things to talk about at home ...

- Share any competitions that you may have taken part in. Do you enjoy it when things are competitive? What about others at home?
- Do you prefer watching or taking part in competitions?
- Considering the phrase 'it's the taking part that counts' – what do you think it means and do you agree?

Please note any interesting thoughts or comments

Stockport Community Foundation would like to make you aware of a free and engaging football session in your area. The Stockport Youth Offending Service provide funding for us to deliver regular football coaching sessions in and around the Stockport area with an aim to provide a fun, safe and positive environment for young people to practice their skills, meet new people and have fun.

The sessions are delivered at Bramhall High School (Seal Rd, Bramhall, Stockport SK7 2JT) every Friday night from 5:00-6:00pm. The sessions are available to children aged 10-16.

Please ensure your child brings:

- *Suitable footwear (Football trainers or moulded studs. No open footwear or metal studs)*
- *Shinpads*
- *A drink*
- *A waterproof jacket in case of bad weather*

The sessions will start with different warm-up and movement games to prepare the children for the session and get them moving. There will also be some technical football activities that work on skills such as dribbling, passing, shooting etc. These will be followed by game-based activities that help the players understand how to play football as part of a team and enjoy playing football with new people.

The objective of the Goalz project is to provide an opportunity for all children aged 10-16 to enjoy playing football in a safe and fun environment whilst practicing their technical skills, making friends, working on social skills, and being supported by a friendly community sports coach.

If you are interested in coming down to take part in the Goalz programme, please contact Jamie McCord on 07760454583 or via the email: jamie.mccord@scfcfoundation.com

Stockport County are welcoming Year 6 pupils to take part in a new youth engagement programme. Please see the leaflets below and the links here.
