Attendance Matters

Headteacher Award

KS1: Annabelle R - Compassion
KS2: Rory S - Compassion

Dear Parents and Carers,

YOUNG VOICES

Pupils from KS2 attended the annual Young Voices concert at the Manchester Arena on Tuesday evening. A big thank you to Mr Roffey for organising this and to all of the staff who helped and supported the event. The children had a wonderful time as did the parents and carers who attended.

E-SAFETY WORKSHOP

Can I thank those parents and governors who attended the e-safety parent workshop on Thursday. There was a huge amount of information shared and some of this information is now on the school website. Please follow this link for the e-safety support guides <https://www.moorfield.stockport.sch.uk/parents/e-safety>

We will be repeating this workshop in the summer term outside of school time, which hopefully allow many more of you to attend.

DO YOU REALLY KNOW YOUR CHILD IS SAFE ONLINE?

Our Deputy Headteacher Miss Pugh and PSHE Lead, Mrs Gates also carried out a survey with the pupils around e-safety and the outcomes were as follows:

- 100% of children who completed the survey have access to a device.
- 100% of children access the internet at home.
- 56% of children know how to use the privacy and security settings on these devices.
- 60% of children from Years 1 to 6 have a mobile phone which can access the internet.
- 82% of children from Years 1 to 6 have 'screen time' every night in the week with 27% spending more than 4 hours.
- 97% of children from Years 1 to 6 have 'screen time' at the weekend with 52% spending more than 4 hours each day.
- 46% of parents speak to their children about internet safety.
- 58% of parents set internet rules.

In KS2:

In Years 5 and 6 52% of children access WhatsApp (age 16). Children in Years 3 and 4 are also accessing this.

32% of children are using TikTok (age 13).

27% of children are using Snapchat (age 13).

15% of children are using Instagram (age 13).

97% of children play online games.

The most popular games and sites are: Fortnite, Roblox, Minecraft, Rocket League, Fifa, Fall Guys and Youtube

In KS2 these are the other games that children have reported that they are playing. All have been mentioned in **all 4 year groups**:

Rating = 18 Call of Duty, Grand Theft Auto, Jurassic World, Uncharted

Rating = 16 and 17 Build 2, Battlefield, Halo, Little Nightmares, Bloody B*****ds, Goldeneye

Rating = 12 and 13 Spiderman, Star Wars, Text or Die, Friv, The legend of Zelda, Twitch, Capcut, War Thunder, Assassin's Creed, Hello Neighbour, Goat Simulator, Love Live!, Lagged, Gorilla Tag

In KS2, 85% children at home know what to do or who to talk to if somebody says something hurtful to them online or if something makes them uncomfortable.

The children said:

- I already know how to be safe online. I was taught it at school.
- I discuss it in class not home.
- I don't need to. My parents trust me.
- My mum and dad know I can deal with the internet myself.
- I know the rules and I can do what I want.
- Because I don't think they have time to discuss internet rules with me. I don't think I need them anyway.
- I don't know how to use the settings because they all have silly annoying passwords when I'm trying to choose something.
- My parents don't care what I watch and do on the computer.
- My parents don't discuss internet rules anymore as I know all about online abuse, scamming, dodgy websites, making fake friends and people pretending to be celebrities (cat fishing). My parents haven't set any controls except needing permission to download apps.

There were some really interesting (and worrying) findings here that tie in with the e-safety workshop and the work next week on Safer Internet Day and Children's Mental Health Week.

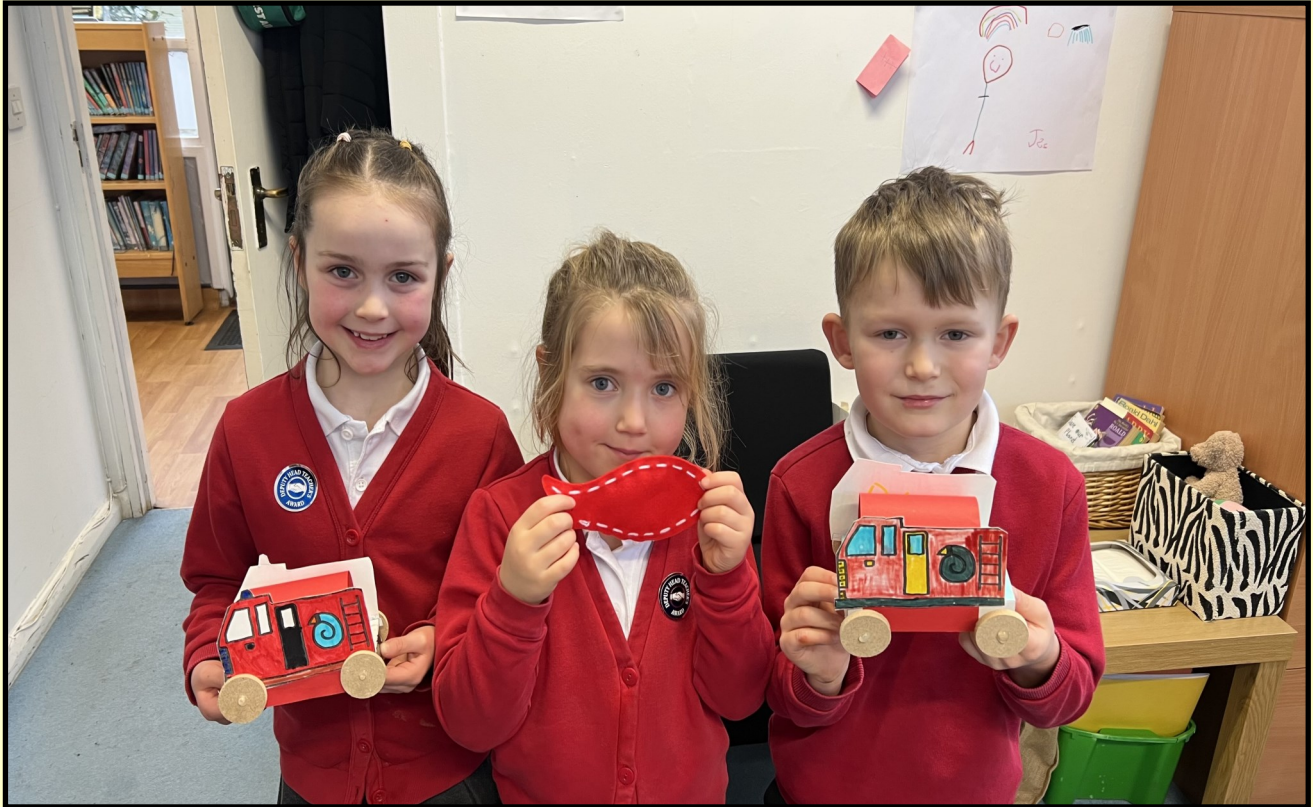

SAFER INTERNET DAY AND CHILDREN'S MENTAL HEALTH WEEK

Two important events next week and there is certainly a link between both. Class teachers will be carrying out a range of activities with their classes across the week.

DESIGN AND TECHNOLOGY WEEK

We have focused on DT this week across the school. Here is a picture from KS1 of Year 1 and 2 children making fire engines with axels and wheels as part of their Great Fire of London topic, and learning to sew using a running stitch in preparation for making teddy bears in line with their topic on toys. Exciting stuff!

FURTHER INDUSTRIAL ACTION BY THE NEU

For your information, there is a further day of strike action planned for after half term, Tuesday 28th February. I will update you before half term with regard to the impact this may have on the school.

Have a lovely weekend.

Best wishes,

Paul Anderson
Headteacher

Moorfield Primary School **Term and Holiday Dates 2023-24**

Pupils are required to be in school for 190 days per school year.

Week commencing Monday 10th June 2024

Year 1 Phonics Screening Check

Monday 3rd June to Friday 21st June 2024

Year 4 Multiplication Tables Check

From 1st September 2013, the law gives no entitlement to parents/carers to take their child on holiday during term time. Any application for leave must only be in exceptional circumstances and the Headteacher must be satisfied that the circumstances are exceptional and warrant the authorising of leave. Parents can be fined by the Local Authority for taking their child on holiday during term time without authorisation from school.

Parents are required to apply for exceptional leave in writing. Do not book your flights or accommodation until you had written notification from school confirming whether the leave of absence has been authorised or not.

Picture News

TAKE HOME

6-12 Feb

In the news this week

The Welsh Football Association has announced that the national men and women's football teams will be paid equally moving forward. Wales joins a list of other countries including Australia, USA, Norway, and Brazil, who pay their men and women football players the same amount to play for their country's national team. In order to reach the deal, the Wales men's senior team agreed to a 25% pay cut, thus enabling a 25% rise for the women's team, which now brings them both equal on pay.

Things to talk about at home ...

- Share your thoughts with someone at home on the news that the Welsh women's football team are going to be paid the same as the men's. Do you both feel the same way?
- Do you feel the men's team should have to take a pay cut? If not, how else do you think the extra money could be funded?

Please note any interesting thoughts or comments
