Attendance Matters

Every Day Counts...

Headteacher Award

Dear Parents and Carers,

Welcome back after the half term break. I hope you all had a wonderful holiday and are excited for the new half term.

PARENT CONSULTATION EVENINGS

Thank you to all the parent and carers that attended the meetings across the week. I hope you found them useful and informative. If you were unable to attend then your child's class teacher will be in touch to rearrange.

You will have the opportunity to look at your child's books when your child's class teacher organises parent curriculum visits later this term. This will be the chance to see what your child has been learning in class this term.

YEAR 2 - THE GREAT FIRE OF LONDON

As part of the Year 2 history unit the children reenacted the great fire by setting alight their wonderful Tudor/Stuart houses. This brought to life the events that happened in Pudding Lane in 1666. Thankfully the fire brigade were on hand to put the fire out!

We can look forward to the Mayans visiting Year 5 in the coming week and a 'Toys in school' visit to Year 1.

TRAVELLING BOOK FAIR

Thank you to all who visited the book fair on Monday or Tuesday. Many of you have bought or ordered books which has also provided us with £800 to spend on books to top up our school library. We are hoping to have a Christmas themed book fair later in the year. Watch this space!

AND FINALLY

The forecast looks very cold for next week with sleet and snow possibly making an appearance. Please send your child to school with a warm coat and feel free to include a hat, scarf and gloves.

Have a lovely weekend.

Best wishes,

Paul Anderson
Headteacher

In the news this week

It has been suggested that the number of hazel dormice in the UK has dropped from around 3.5 million to only 750,000 in almost 30 years. Currently, their conservation status is classed as 'vulnerable', but some researchers say people should be more worried for them. A recent report from the University of Exeter urges for hazel dormice to be reclassified as 'endangered' and calls for more conservation action.

Things to talk about at home ...

- Describe your local area to someone older. Ask them to share details about their local area from when they were younger. Was it different?
- Talk about different places e.g., the countryside, cities. How can people who live in each take greater care of local habitats?
