Responsibility Perseverance Compassion Thankfulness

wc 21st February 2022

Class of the Week: RH

Pupil of the Week: Brooke 6HT

TRACKIT LIGHTS

Dear Parents and Carers,

I hope you have all had a good week and are looking forward to the weekend. Firstly thank you for the many fantastic World Book Day outfits on Thursday and I hope your child enjoyed the visit to the mystery tea party and the challenge to name the books! Thank you to Miss Swettenham and others for the time and effort put into setting up this fantastic activity. There are pictures on page 2 of the newsletter as well as on our school twitter page.

Secondly, I'm sure you agree, the current situation in Ukraine is extremely distressing and worrying to watch. I can't imagine what it must be like to suddenly be put in a position to defend your country and/or evacuate your family to a safer country leaving your home and belongings behind? You may have already made some sort of contribution to help those in need but at Moorfield we would like to do something as a school. My assembly on Monday will be asking the children to think of ideas and we will come to a decision on the most interesting and worthwhile activities to show Ukraine is in our thoughts and prayers.

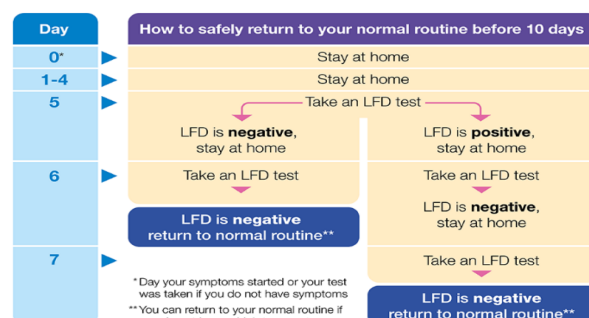

Finally, we've had a small number of positive Covid-19 cases this week and it's important to remember my words from last week regarding the requirement to keep your child off school if they have symptoms or are confirmed positive. It is also important to share that if a parent has symptoms or tests positive then they should not enter the school site. The flow chart shows the process you should follow.

Have a lovely weekend and look after each other.

Best wishes,

Paul Anderson
Headteacher

How to safely return to your normal routine before 10 days

Some of our Year 5 pupils took part in their club challenge on Sunday. The boys play for Bramhall North 75 JFC in the Manchester Respect League and completed a challenge known as 10xTEN - ten laps of the Old Trafford stadium - to raise money for their club. The team of 12 includes the following Moorfielders: Rory, Fletcher, James, Preston, Jenson, Billie and Oliver. Not only did they complete the challenge but they raised well over £1,000 of the £8,700 total achieved by the whole club and they conducted themselves brilliantly. Well done boys, a magnificent achievement.

Moorfield Primary Sch, Hazel Grove @MPShazelGrove · 1h

Here are some of our Tea Party tables. Can you look at the clues and guess any of the book characters? #WorldBookDay 📖

Moorfield Primary Sch, Hazel Grove @MPShazelGrove · 1h

The children at Moorfield loved attending the 'Tea Party' today. They had to work as a class to look at the clues and decide which 'guests' (book characters) were attending the party. What a wonderful day! #WorldBookDay 📖

In the news this week

Six months after the Taliban seized power in Kabul, Afghanistan, there have been big changes to the lives of many in the country, particularly for the younger generation. The BBC has reported that more and more Afghan children are having to work to help support themselves and their families. As many people have not been paid for months, some children have had to work and earn money, instead of going to school. The Taliban also declared that girls would no longer be able to attend secondary school. Some schools are campaigning hard to remain open for all pupils.

Things to talk about at home ...

- Talk about your school and all the different things you learn there. Can you ask an adult at home about their experience of school? How was it similar to your experience and how was it different?
- What do you think life might be like for young people in Afghanistan at the moment? How do you think they might be feeling?

How might your life be different if you weren't able to go to school?
