

JusTalk is a free social networking platform that hosts video, voice and group calling messaging features, similar to popular messaging platform WhatsApp.

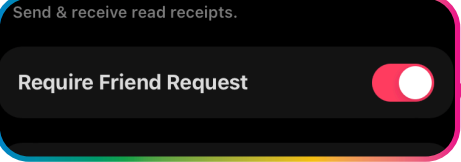

Stay safe on JusTalk using the instructions on privacy settings, blocking, reporting and removing friends below.

Privacy Settings

Control who can add you as a friend and talk to you

- Tap your profile picture in the top left-hand corner
- Tap the settings cog
- Select Privacy and ensure the 'Require Friend Request' option is turned ON

Block a user

- Tap and hold the user's profile
- Tap the three dots and select **Block**

Report a user

- Tap and hold the user's profile
- Tap the three dots and select **Report**

Remove Friend

- Tap and hold the user's profile
- Tap the three dots and select **Remove Friend**
