Pupil Premium Allocation 2022/23

What is the Pupil Premium?

The pupil premium is a grant given to schools for each child who currently claims free school meals or who has done so in the last 6 years - EVER6

A message to Parents and Carers

It is really important that all parents/carers of children eligible for free school meals register themselves even if they prefer to continue to send their child with a packed lunch. The grant for registering for free school meals (FSM) enables school to provide invaluable extra resources and support for your child's education.

Research has shown that in some cases children who have been on/ are on free school meals do not attain as highly as other children in school. This appears to be very unfair. The government therefore provide this grant so that we can commission/allocate additional support to ensure that they do.

The support can be short term (booster sessions to focus on a specific area for development) or long term such as one term or two terms (to focus on a major area for development). It may take the form of 1-1 or small group teaching and may be an evidence based intervention. In school one of the interventions is known as "Hotspotting", where there is a prompt support for children with any misunderstandings. There is also support for the higher ability children giving them opportunities to work at greater depth and to accelerate learning.

At Moorfield all of the intervention programmes that we utilise are evidence based and demonstrate impact.

The government allows us to spend this money in a variety of ways as long as it impacts positively on children in terms of improving their literacy and mathematical skills and their social and emotional well-being and happiness.

The following information outlines the amount of funding we have received and how we intend to spend it this academic year.

Total number of pupils on roll	409
Amount of PP received per pupil	£1385
Pupil Premium Grant	£56,785
B/F 2021/22	£4,986
Total amount of PP received	£61,771

At the October 2022 census there were 41 pupils in receipt of Pupil Premium which was 10% of the school population (402 pupils).

Our current % of pupils in school in receipt of Pupil Premium is 10% - well below the National average and well below the LA average of 24%

The table below outlines the number of pupils supported within each current year group who receive the Pupil Premium Grant.

Year group	Number of Children	Number of Children	PP %
	in Year Group	in receipt of PP	
Reception	60	1	2%
Year 1	57	5	9%
Year 2	54	3	6%
Year 3	56	7	13%
Year 4	57	8	14%
Year 5	65	11	17%
Year 6	61	6	10%
Totals	409	41	10%

Numbers correct Autumn Census

The following information highlights the issues within our school community which impact on the lives of the families we serve.

<u>Findings from Confidential Report - Community Issues Autumn 2019 updated Spring 2022 - Band A (most deprived) - Band J (least deprived)</u>

IDACI (Income Deprivation Affecting Children Index)

- 233 pupils (56%) / 235 pupils (58%) in the least deprived bands I-J however there is a change from the majority of these being in band J to now being in band I
- However our school community has low income affecting 93 pupils (22%) / 98 pupils (24%) in the five most deprived bands A-E. Research has shown pupils living in high deprivation areas can suffer from:
 - pressure not to extend education
 - o poor housing and opportunities
 - o negative influences over a range of health and social issues

IMD (Index of Multiple Deprivation (Overall)

- 220 pupils (53%) / 135 pupils (34%) of our pupil come from the least deprived area nationally Band I
- 85 children (20%) / 92 children (24%) fall into the four most deprived bands with 62 children (15%) / 72 children (18%) in Band D.

- Barriers to Housing and Services physical and financial accessibility 'geographical barriers' (proximity of local services) and 'wider barriers' (affordable housing).
 Our pupils have few barriers to housing and services
- Crime personal and material victimisation at a local level.
 Crime levels are similar nationally across all deprivation bands
- o Education, Skills and Training attainment and skills in the local population.
- o 37 children (9%) / 35 children (9%) in bands A-D come from families with limited education and skills. Aspiration is key to these pupils being inspired by education and improving their life chances. Support with homework (including reading and other basic skills) may also be a barrier
- Employment working age population in the local area.
 Although the school has low levels of pupil premium, 88 pupils (21%) / 80 pupils (20%) in bands A-D come from families with low employment. Identifying pupils entitled to PP is essential in ensuring an accurate picture for the school demographic, as well as an increased PP budget to support pupil wellbeing and aspiration
- o Income low income families in the local population.

- 83 pupils (20%) / 91 pupils (23%) in bands A-D come from low income households and although not pupil premium these pupils may come from homes where a lack of finance is impacting on clothing and equipment, cost of school trips/events and longer term educational aspiration
- Health and Disability impairment of quality of life through poor physical or mental health.
 - 118 pupils (28%) / 148 pupils (37%) in bands A-D come from households where there are health needs and pupils themselves have poor nutrition or social and emotional needs. School absence can be a particular problem and some pupils may be acting as young carers
- Living Environment quality of 'indoor' (housing) and 'outdoor' (air quality/traffic accidents).
 - 76 pupils (18%) / 103 (25%) in bands A-D live in low quality housing and/or in built up urban areas with high levels of air pollution. This can lead to health issues and a high risk to pupil's safety.

We therefore ensure our Pupil Premium allocation is spent to support children and families to improve social and emotional well-being, to develop spoken language, to address behavioural needs and to give wider opportunities and experiences to broaden and enhance their understanding of the world. This ultimately impacts positively on academic progress and allows pupils to close the gap between them and their peer

Moorfield Primary Pupil Premium Strategy Statement 2022/23

Summary information									
School	Moorfield P	rimary School	PP per pupil	I £1385					
Academic Year	2022/23	Total PP budget	£61,771	Date of most recent PP Review	November 2022				
Total number of pupils	409	Number of pupils eligible for PP	41	Date for next internal review of this strategy	March 2023				

The number of pupils supported within each current year group who receive the Pupil Premium Grant								
Year group	Number of Children in Year Group	Number of Children in receipt of PP	PP%					
Reception	60	1	2%					
Year 1	57	5	9%					
Year 2	54	3	6%					
Year 3	56	7	13%

Year 6	61	6	10%					
Totals	409	41	10%					

A - Barriers to future attainment

In-school barriers (issues to be addressed in school)

Gap between vulnerable pupils and non-vulnerable pupils with regard to Literacy and Numeracy skills (in addition to the National Tutoring Programme)

Spoken language and communication

Upskilling staff to support intervention and diminishing differences

B - External barriers (issues to be addressed in school which also require action outside of school)

Stockport Council Business Intelligence Team

- Total of 15 pupils living in 25% most deprived areas
- 4% of the total number attending the school

IDACI (Income Deprivation Affecting Children Index 2022)

• Low income affecting 98 pupils (24%) in the five most deprived bands A-E (up by 5 pupils and 2% from 2019)

IMD (Index of Multiple Deprivation Overall 2022)

• 92 children (23%) fall into the four most deprived bands (up by 7 pupils and 3% from 2019) with 72 children (18%) in Band D (up by 10 pupils and 3% from 2019)

These factors can impact on:

Social and emotional wellbeing

Access to a wide range of experiences and extended learning opportunities

Attendance and Punctuality

	Priority Actions	Approach	Cost	Desired Outcome
A	Speech & language therapy to ensure pupils develop their communication skills and promotes oracy	Speech and Language Therapist (SALT) supporting pupils 1 day per week with development of language	£tbc	 To address issues identified by class teachers/SLT in pupil progress meetings to follow up and consolidate To allow for 1-1 or small group sessions for targeted support To build the confidence and resilience in vulnerable learners To see clear progress in pupils spoken language
A	1-1 learning support for pupils working below expectation or significantly below expectation	Dedicated time weekly provided by SEND TA to support SEND learning needs. To provide support and guidance for class teachers and TA's to continue intervention programmes in the classroom on a daily basis Parents and Carers supported with child's targets and home learning	£16000	 All pupils identified and supported Pupils progress discussed at PP meetings Teachers and TA's supported with intervention strategies to support learning Families supported with home learning and regular school contact to provide advice and support
В	Using an electronic safeguarding tool to support the recording of concerns across the school	To monitor safeguarding, wellbeing and pastoral issues. Recording notes about interventions with PP pupils.	£1000	Consistent system of recording 'concerns' relating to individual pupils and families. Enable a 'picture' to be built up over time for pupils and families so appropriate support can be identified and signposted
В	Targeted social and emotional interventions and also the offer of pastoral care to families. This ensures pupils are able to focus on learning and make academic progress	Pastoral Teaching Assistant who provides specialised and tailored social & emotional support to vulnerable pupils	£16,000	 To address issues identified by class teachers/SLT in pupil progress meetings to follow up and consolidate To allow for 1-1 small group sessions for targeted support To build the confidence and resilience in vulnerable learners To work with pupils and families to build on work at home/school To see clear progress in a reduction of negative behaviours in line with the behaviours for learning policy
В	Targeted social and emotional interventions and also the offer of pastoral care to families. This ensures pupils are able to focus on learning and make academic progress	Turn the Page Counselling service providing specialised and tailored social and emotional support to vulnerable pupils inc 1-1 counselling and group play therapy for 1 term initially	£ 5328	 To address issues identified by class teachers/SLT in pupil progress meetings to follow up and consolidate To allow for 1-1 small group sessions for targeted support To build the confidence and resilience in vulnerable learners To work with pupils and families to build on work at home/school To see clear progress in a reduction of negative behaviours in line with the behaviours for learning policy

В	Targeted social and emotional interventions and also the offer of pastoral care to families. This ensures pupils are able to focus on learning and make academic progress	ELSA delivering emotional literacy 1 day per week providing specialised and tailored social & emotional support to vulnerable pupils	£5500	 To address issues identified by class teachers/SLT in pupil progress meetings to follow up and consolidate To allow for 1-1 small group sessions for targeted support To build the confidence and resilience in vulnerable learners To work with pupils and families to build on work at home/school To see clear progress in a reduction of negative behaviours in line with the behaviours for learning policy
В	Funding for class trips and visitors to school, to enable the children to access a wider range of experiences and have more of an understanding of the world around them	Cost of visitors to school, visits out of school including residential	£4100	To provide pupils with 'experiences' they may otherwise not experience to develop their understanding of 21st Century Britain and provide imagination to support them with learning in the classroom
В	Education Welfare Officer working with the Inclusion Lead to apply LA protocols for absence and persistent absence	EWO and Inclusion Lead supporting pupils and families across the school	£1000	 To address issues of absence and/or punctuality identified by class teachers/SLT weekly/monthly/half termly To apply LA protocols to challenge and support families to improve individual pupil attendance

Monitoring Strategy	Date of review
Inclusion Lead analyses the end of year data and evaluates the impact of the strategy	End of academic year
Senior Leadership Team agree to strategy for the forthcoming year based on previous PP evidence	End of academic year
Final pupil progress meetings of the academic year identity pupils targeted for support in September	End of academic year
Half termly/termly pupil progress meetings identify the impact and progress of individual pupils	Half termly/termly
Each term the Inclusion Lead provides a report to be presented to the Governors. This identifies the quality	Termly
of provision, the impact it is having and future areas for development/improvement	
Attendance rates are closely tracked along with pupil progress and attainment and followed up where	On-going -SIP target
necessary
