Responsibility Perseverance Compassion Thankfulness

Don't forget it is our Christmas Fair this evening at 6pm. I look forward to seeing you all there.

From January we will have a new teacher in Year 4. Mrs Quin will replace Mrs Challinor who goes on maternity leave at the end of term. We welcome Mrs Quin to Moorfield.

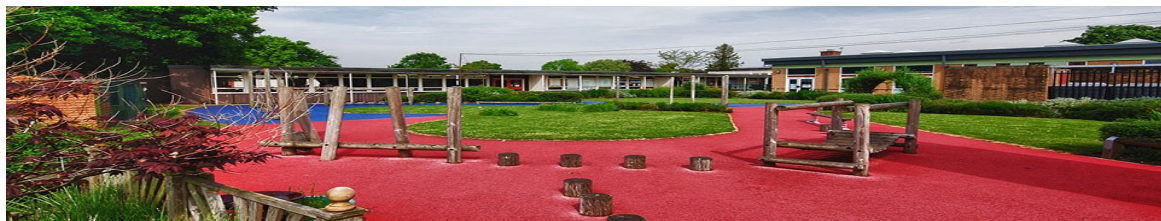

LUNCHTIME ACTIVITIES

We intend to improve pupils experiences at lunchtime by providing activities and games on both the key stage 1 and key stage 2 playgrounds for those who want to partake. To do this, we feel it would be beneficial to have one hour for lunch across the school as oppose to 45 minutes. It will give the children the opportunity to eat lunch and engage in adult led activities. It will also provide the time for clubs organised by teachers to take place and support teachers who may want to spend some extra time with children to provide some additional support with their learning. We have also had some teaching assistants who are keen on using the Forest School mobile classroom as a space for reading, colouring, art etc, for those who would prefer a quieter space to be in. We hope to have this up and running in January.

Well done to our footballers who got though to the next round of competition to represent Stockport County in the National Cup. With 4 out of 5 games won at the Power League on Monday. Good luck in the next round.

What's going on this week?

A family getting into the festive spirit had their celebrations dulled when they were told by some of their neighbours to take down their Christmas decorations until closer to the 25th December. Claudia and Nick Simonis put up their decorations on the 1st November. Three days later, the couple received a letter from a local homeowners' association informing them that it was too soon to put up the decorations and requesting that they "please remove the snowman until closer to the festive period". The couple ignored the letter and left their decorations as they were.

Things to talk about at home...

- 🍷 Are there times of the year when you choose to decorate your home or room?
- 🍷 Do you think that it's fair to complain about a neighbour's external decorations? Why?
- 🍷 Do you think the family were right to ignore the request to take their decorations down?
