As you will be aware there will be a General Election on Thursday 12th December. We have been informed by the council that the school will used as

a polling station once again. After consultation with the Chair of Governors **we have no choice but to close the school for the day.** I have looked at every possibility as to how we could keep the school open but logistically it is proving too difficult from a safeguarding perspective. I apologise for the inconvenience this may cause but the safety of the children is my number one concern. It would not be safe to open the school on this day.

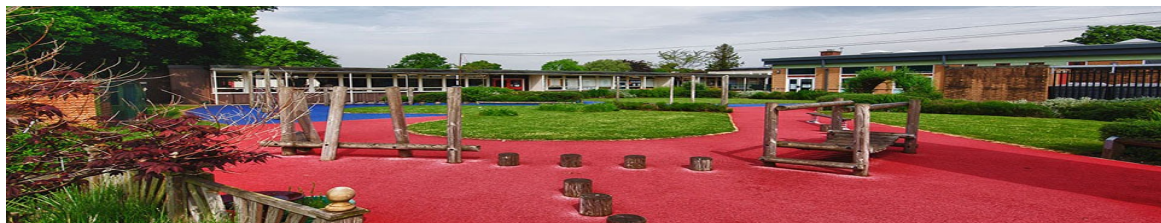

Don't forget
parents!
evening!

You should have received a letter this week regarding Parent Consultation Evening? I advise sending your appointment slip into school as soon as possible if you have not done so already. Apologies that we have had to change the dates from the previous newsletter but I can confirm Tuesday 12th and Wednesday 13th November as the dates for the first parental consultation of the school year.

4th November 2019
What's going on this week?

The 2nd-8th November is UK Parliament week, a week to learn all about how Parliament works. In recent months, MPs who work in the House of Commons (part of Parliament) have received disapproval from some people who believe that the 650 MPs who make many of the key decisions in the running of the UK have not been working effectively together. Particularly with regards to Brexit, which has caused many issues between MPs with very few agreements being reached.

Things to talk about at home...

- What do we know about how important decisions are made in our country?
- Do we know who our local MP is? Do we know what they do?
- Did you know you can write to or email your local MP about any issues you have in your area? Do you have anything you would like to say to them?
- Do you think it is important to have one leader in charge? What qualities do you think they should possess? Do you think it would be a hard job? Would you like to do it?
