Responsibility Perseverance Compassion Thankfulness

Dear Parents/Carers

For those of you that use the before and after school club provided by 'Kids Childcare', I am aware there is an issue regarding the heating of the mobile since the previous heaters were removed in the summer term. We are awaiting guidance and next steps from the Stockport Health and Safety Team before we can make any future decisions on the building. In the short term we are providing the Key Stage 1 Hall as a space should it be required. That will be a judgement made by the Kids Childcare staff as and when they feel the need to move to the hall. Drop off and collection will still be from the current school gate on to the Key Stage 1 playground.

Finally just a reminder about jewellery and in particular earrings. We do not expect children to wear any jewellery for school including earrings. If your child has recently had their ears pierced then they will need to put tape on their earrings for safety reasons throughout the school day. I apologise for the inconvenience of this however the safety of all pupils is paramount. As someone who has witnessed an accident in primary school involving earrings I'm sure you appreciate the need for such an approach.

Have a great weekend and lets hope for some sunshine!

HARVEST FESTIVAL

A reminder that on Friday 11th October, Mark Paddon from Hazel Grove Baptist Church will be leading us through a Harvest Assembly. We need your support with donations of tinned and dried packaged food that will go to the 'Wellspring Kitchen', a homeless charity in Stockport. Thank you in advance.

Can I ask that you do not email teachers direct with any questions or concerns you may have. I appreciate you may have something you want to share with the teacher, however it is important that the correct procedures are followed. I am asking you to please ring the school office if you wish to speak to the class teacher and they will get back to you at the earliest opportunity. If email is the only option then please email admin@moorfield.stockport.sch.uk and the office staff will ensure the message is passed to the class teacher. Thank you for your support.

MHSA Lotto Club

The 'Lotto Club' has proven popular with both parents and staff alike.

With a draw every month, you are in with the chance to win a great cash prize.

Application forms, available from: mhsa.lottoclub@gmail.com or if you make a payment via ParentPay an application form will be automatically sent to you via email.

Just £1 per month buys you membership (a ball to be entered into the draw) half of all money raised will go to the MHSA for school funding, the other half as prize money for the monthly draw. Payments can be made monthly by standing order, or annually via Parent Pay, Standing Order, Cash or Cheque.

What's going on this week?

What3words, an app which is able to provide an almost exact location for wherever you are in the world by using just 3 words, has caused division between those who think it can save lives to others who believe that one company shouldn't know where we all are all the time. The app divides the world into three-metre squares and gives each one a unique three-word address in order for people to be easily found in emergencies, and to give the billions of people without a formal address access to one for the first time.

Things to talk about at home...

- 🍀 Talk about how we keep in touch with people. Do we always know where our family and friends are?
- 🍀 Do you think it's important to always know where people we care about are?
- 🍀 Talk about how we use technology to help us to locate where we are and how to help find our way using online maps, satellite navigation etc. Discuss some of the ways our lives would be different without this technology.
