# WE ARE THE SEND CHAMPIONS!

## Special Educational Needs & Disabilities

The SEND Champions is a network of friendly, passionate people, made up of parents, carers, and a variety of professionals who all have one thing in common – improving SEND Services! We discuss our lived experiences – both good and bad – and use these discussions to think about how we make things better!

### OUR GOALS FOR THE SEND CHAMPION NETWORK!

We all have the same goal, which is to improve the services for SEND in Stockport. We want to build a HUGE network of champions that will help shape the future for SEND.

### IF I BECOME A CHAMPION, WHAT WOULD I HAVE TO DO?

You can do as much, or as little as you want! You can attend as many meetings as you like, volunteer to be on a sub-group to complete actions, you can volunteer to chat to families that need help, or you can just commit to social media posting and helping spread the word of the SEND Champions! There are lots of ways that you can help and be involved – you do not have to be an expert.

If you are interested in becoming a SEND Champion, email us at [SEND-IP@stockport.gov.uk](mailto:SEND-IP@stockport.gov.uk)
