Dear Parent / Carer

Early Language Intervention Programme

Moorgate's Reception class has been asked to take part in an Early Language Intervention Programme developed by Nuffield Foundation. Nuffield Foundation is an independent foundation with a mission to advance educational opportunity and social well-being.

All children in Reception will be assessed on their speech and language and interventions will take place from January 2021 to July 2021. Children will then be reassessed in July 2021.

The data collected will be shared with the Nuffield Foundation for assessment and research purposes.

If you do not wish your child's information to be shared, please inform Mrs Tattersall who will ensure their data is withdrawn from the programme. Please note that Moorgate will retain children's data for our own assessment purposes.

Please do not hesitate to contact me if you have any further questions.

Yours sincerely,

Mrs R Tattersall

Acting Deputy Head / Class Teacher
