

ASTRONOMICAL ADVENTURERS

As Geographers we are learning to:

- Learn about the different physical features of the World

As Artists and Designers we are learning to:

- Use recycled materials in Art
- Study artists who use recycled materials

As Computing Technicians we are learning to:

- Use the Internet to effectively search for information
- Use word processing programs effectively
- Be aware of e-safety

As Historians we are finding out:

- Who were the Mayans?
- What did the Mayans know about space?

As Writers we are learning to:

- Write about character, plot and settings
- Produce diary entries,
- Write non-chronological reports, stories and persuasive texts

In P.S.H.C.E. we will:

- Work collaboratively in our Kagan groups
- Use PSHCE activities to explore people's feelings

As Scientists we are learning to:

- Understand about Earth and Space

As Mathematicians we are learning to:

- Understand place value
- Solve problems using all 4 operations
- Find equivalent fractions; Simplify fractions
- Compare fractions with related denominators

In R.E. we will:

Explore Jewish Festivals

We will develop our Physical skills through:

- Team Games

As part of an understanding of fundamental British Values (democracy, the rule of law, individual liberty, mutual respect) we will:

- Explore why laws and rules are created
- How do these keep us safe?

My Evaluation:
